

2022

SEEDLING CATALOG

WELCOME PLANT FRIENDS

Welcome to our online 2022 Seedling Catalog!

This Spring we're offering over 200 varieties of our own Seedlings, Planters & Hanging Baskets, all grown here on Bahner Farm and Certified Organic by MOFGA.

We've compiled our 2022 Availability into an interactive & downloadable online catalog to serve as a visual aid when planning your gardens! Use the clickable "Table of Contents" page to search for all your favorites!

Seedlings will be available for Pre-Order starting in February. Once you have your list compiled, click the link below to access our 2022 Seedling Pre-Order Form.

Our Farmstand & Retail Greenhouse will be open to the public on May 1st. Until then, stay safe, healthy & happy!

From the
Bahner Family & Crew
Thank you
so much!

BAHNER FARM

is a 37 acre family farm in beautiful Belmont, Maine.

We own our farm on Rt. 3 as well as some fields on Howard Rd., and lease fields in two other locations nearby.

We cultivate 6 acres of mixed vegetables for our Farmstand, Farmers Markets, Daybreak Growers Alliance, and other local businesses.

Visit our Full Service Farmstand to find our seasonally grown produce, organic seedlings, locally sourced dairy, breads & other goods. We are located on Maine Route 3, about five miles west of downtown Belfast, at 153 Augusta Road, Belmont, Maine 04952.

OUR ORGANIC SEEDLINGS

All of our seedlings are Certified Organic by Maine Organic Farmers & Gardeners Association.

Seedlings are more prone to under and over watering. Keep soil moist but not soggy and let the soil dry slightly between waterings. Try to provide at least 10-16 hrs of direct, bright light and keep temps between 55-70 degrees until they're ready to plant outdoors. Most young seedlings need 1-2 weeks of "hardening off" before planting.

For more information on planting dates and general seedling care, click **HERE** to check out the Seedling Page on our website.

TABLE OF CONTENTS

ANNUAL HERBS

[Return to table of contents](#)

BASIL

Prospera

Annual Herb

Classic green Genovese. What's a summer garden without basil? Our current preferred variety is Prospera. The dense, slow-bolting plants produce large 3-4", dark green, glossy, heavily cupped leaves. Traditional Genovese aroma and excellent flavor. Uniform plants with short spaces between leaves produce high yields.

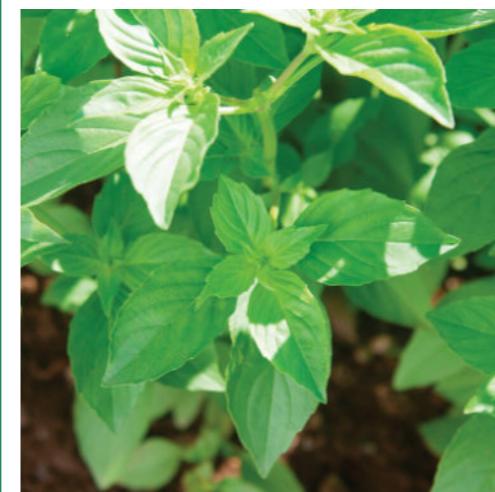

Height: 20-24"

BASIL

Mrs Burn's Lemon

Annual Herb

Sweet and tangy lemon basil. Very bright green, 2 1/2" long leaves with white blooms. Intensely flavorful, aromatic.

Height: 20-24"

BASIL

Amethyst Improved

Annual Herb

Purple Genovese type basil. Use same as any basil, adds nice touch of color as garnish in salads and pasta.

Height: 16-20"

BASIL

Sweet Thai

Annual Herb

Called "Horapha" in its mother country, "Hun Que" in Vietnam. Green, 2" long leaves, spicy, anise-clove flavor, purple stems and blooms. Aromatic. Holds well when used as a cut flower.

Height: 16-20"

CHERVIL

Vertissimo

Annual Herb

Dark green leaves with mild, sweet anise flavor. Along with chives, parsley and tarragon, chervil is one of the French Fine Herbes, a mixture of finely chopped herbs. Chervil's flowers are edible. Use to garnish salads.

Height: 10-16"

CILANTRO

Santo

Annual Herb

Slow bolting variety. 4-6 plants to be planted in a cluster. Plant every 3 weeks or so for continuous supply. Leaves, seeds and flowers are all edible. A must have for salsa and guacamole!

Height: 12-18"

CHIVE

Staro

Annual Herb

Staro variety chive, with a thick leaf, great for freezing and drying. Excellent flavor, beautiful edible flowers are also an early treat for your pollinators and beneficial insects.

Height: 12-18"

DILL

Fernleaf

Annual Herb

4-6 plants to be planted in a cluster. Plant every 3 weeks or so for continuous supply. May be used as leaf or left go to seed. Indispensable for seasoning cucumbers, soups, fish and salads.

Height: 12-15" Spread: 10-12"

PARSLEY

Giant of Italy

Annual Herb

Our favorite parsley - packed with flavor. Dark green foliage. Harvest central bracts first, cut all and freeze or dry before hard freeze.

Height: Varies

PARSLEY

Curly

Annual Herb

Abundant garnishing variety for soups, salads, pasta, and to add to jazz up that otherwise bland serving dish!

Height: Varies

PERENNIAL HERBS

[Return to table of contents](#)

LAVENDER

Vera

Perennial Herb (Zone 5-10)

Heirloom English lavender known for its sweetly fragrant oil, dark lavender-blue flowers and compact habit. Well drained soil in sun. Drought tolerant and deer resistant.

Height: 36-48" Spread: 24-30"

LAVENDER GROSSO

Fat Spike

Perennial Herb (Zone 4b)

Large, violet-blue flowers atop grayish-green foliage. Well drained soil, full sun. Perennial with care -protect in winter. Drought tolerant and deer resistant.

Height: 24-36" Spread: 24-36"

LEMON VERBENA

Perennial Herb (Zone 9-10)

Lemon-scented leaves. Tender perennial, cannot overwinter outdoors. May be grown outdoors or indoors in a sunny location.

Height: Varies, up to 6'

MINT Mojito

Perennial Herb (Zone 4-10)

Our favorite mint, with vivid bright green leaves that burst with flavor. Originally from Cuba. Classically known as the official mint for the mojito beverage. Vigorous growth habit.

Height: 18-24"

OREGANO Greek Mountain

Perennial Herb (Zone 5-10)

Spicy aromatic oregano originating in the mountain of Greece. The real thing for drying and use in your favorite cuisine. Vigorous plant will grow in a wide range of conditions but like sun and well drained soil. Can be grown in containers.

Height: 10-12" Spread: up to 24"

ROSEMARY BBQ

Perennial Herb (Zone 8-10)

Light green leaves with nice aroma and upright habit. Gets its name because the plant stem can be used as a kabob and it flavors your food while it grills. Bring inside for winter.

Height: 4-6' Spread: 2-3'

ROSEMARY

Blue Rain

Perennial Herb (Zone 8-10)

Long runners with long flowering- light blue flowers. Good prostrate variety for hanging baskets, container gardening. Established plants are drought tolerant. Bring inside for winter.

Height: 6-10" Spread: 18-24"

ROSEMARY

Gorizia

Perennial Herb (Zone 8-10)

Large, green leaves on sturdy stems, blue flowers. May be grown in ground or container. Drought tolerant when established and deer resistant. Tender perennial - bring inside for winter.

Height: 3-5' Spread: 3-5'

SAGE

Grower's Friend

Perennial Herb (Zone 6-9)

Outstanding culinary sage. Unlike other sages that tend to have altered flavor after flowering, Grower's Friend rarely, if ever, blooms. The robust plants grow to 18 inches tall. Short-lived perennial.

Height: 18" Spread: 16"

ROSEMARY

Gorizia

Perennial Herb (Zone 8-10)

Large, green leaves on sturdy stems, blue flowers. May be grown in ground or container. Drought tolerant when established and deer resistant. Tender perennial - bring inside for winter.

Height: 3-5' Spread: 3-5'

SAVORY

Winter Savory

Perennial Herb (Zone 5-11)

Fragrant, green foliage, white flowers and a strong peppery flavor. Used in cooking shell beans, and medicinally. Very hardy and persistent.

Height: 12" Spread: 12"

TARRAGON

French Tarragon

Perennial Herb (Zone 4-10)

Narrow, green leaves have a licorice aroma and flavor. Grow in sunny, well drained soil. Tarragon is a fine seasoning for fish and poultry, and, along with chives, parsley and chervil, is one of the French Fine Herbes mixture of finely chopped herbs.

Height: 18-36" (semi upright)

THYME

English Thyme

Perennial Herb (Zone 4-10)

Green leaves, light mauve flowers. Vigorous, low-growing plant with fragrant leaves. Harvest fresh any time by cutting a couple of inches from new growth. For drying, cut after bloom. Small pollinators and beneficial insects adore all thyme flowers.

Height: 12" Spread: 18"

ANNUAL FLOWERS

ALYSSUM

Sweet Alyssum

Annual Flower

Attracts and supports beneficial insects
Fast and low growing. Sprawling plants
with dense clusters of very fragrant,
small white flowers. Drought tolerant.

Height: 4-10" Spread: 6-12"

ALYSSUM

Pastel Carpet

Annual Flower

Attracts and supports beneficial insects.
Fast and low growing. Sprawling plants
with dense clusters of very fragrant,
small flowers in 6 pastel shades. Trim
back to get constantly-returning
blooms.

Height: 3-9" Spread: 10-12"

BACHELOR'S BUTTON

Florist Blue Boy

Annual Flower

Known commonly as Bachelor's Button
or Cornflower, Centaurea's upright
plants produce abundant double and
semi double, 1-1½" blooms. Edible
blooms are a popular choice for
brightening up salad mix. Can be used
as cut or dried flowers.

Height: 30-38" Spread: 12-24" Bloom: 1-1½"

CALENDULA

Flashback Mix

Annual Flower

Spectacular mix of warm colors with
bicolor petals. Flowers are used in
antiseptic tinctures and healing skin
ointments. Flower petals are edible and
can be used in a number of dishes.
Flavor is tangy and slightly bitter.

Height: 18-24" Spread: 12-18" Bloom: 1½ - 3"

CELOSIA

Pampas Plume

Annual Flower

Masses of soft, feathery, 2–6" long plumes in scarlet, orange, bright yellow, pink, cream. Multi-branching plants produce 10-14 stems each. Also known as cockscomb. Excellent as a cut flower. Early pinching is recommended to increase branching.

Height: 33-48" Spread: 6-12" Bloom: 2-6" long

COSMOS

Versailles Mix

Annual Flower

Early blooming and vigorous. Blooms are 2½" across in shades of blush pink, pure white, carmine red, and pink with a deep pink eye. Pinching is encouraged and deadheading is required to have blooms all summer. Excellent cut flowers.

Height: 40-48" Spread: 24-30" Bloom: 2½"

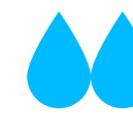

HYACINTH BEAN

Ruby Moon

Annual Flower

Purple stems, lilac-rose blossoms, and shiny 2–3" magenta pods. Ideal for cut flowers and drying crafts. While all parts of the plant are edible, we recommend boiling the mature seeds twice before eating. Flowers can be eaten raw or steamed. Flavor is mild, bean-like, and sweet.

Height: 10-20" Spread: 12"

LAVATERA

Rose Mallow - Pink

Annual Flower

Prolific large, smooth pink flowers on tall, upright stems. A garden classic with cupped flowers ideal for borders, cottage gardens and cutting for bouquets. Similar habit to hollyhocks with attractive glossy foliage. Excellent for attracting hummingbirds!

Height: 24-48" Spread: 12-18" Bloom: 4"

LOBELIA

Crystal Palace Blue

Annual Flower

The perfect window-box plant, with a profusion of stunning deep blue flowers over bronze-green foliage. 4" tall, great for edgings, walks and borders.

Height: 4-8" Spread: 6"

MARIGOLD

Gem Mix

Annual Flower

A mix of Red Gem, Lemon Gem, Tangerine Gem, and Lemon Star. Petite flowers cover neat, low mounds of lacy foliage with a citrusy scent. Bite-size for use as edible garnish with hints of citrus and spice. Attracts beneficial insects.

Height: 10-12" Spread: 12" Bloom: ¾-1"

MARIGOLD

Durango Outback Mix

Annual Flower

This mix is the ticket for a joyous explosion of color. Extra-large blooms with outstanding uniformity. Highly branching plants. A good choice for packs, pots, and garden planting. Edible blooms add wonderful color to salad mix. Attracts beneficial insects.

Height: 8-10" Spread: 10-12" Bloom: 2-2 ½"

MARIGOLD

Queen Sophia

Annual Flower

Dark orange petals rimmed in gold. Attracts beneficial insects. Use the flowers to dress up salads and desserts. Flavor is floral with hints of citrus and spice, and slightly bitter. Remove the petals from the flower base before consuming as the base can be quite bitter.

Height: 10-12" Spread: 8-18" Bloom: 2 ½-3"

MORNING GLORY Heavenly Blue

Annual Flower

The classic morning glory! Cheerful blooms are bright sky-blue. Fast-growing vines with attractive heart-shaped foliage.

Climbing Height: 10-12' Bloom: 2 ½"

MORNING GLORY Moonflower

Annual Flower

Moonflowers open in the evening so they can be pollinated by night-flying moths. Large white flowers, extremely fragrant.

Climbing Height: 8-12" Bloom: 3-6"

MORNING GLORY Carnevale de Venezia

Annual Flower

This fanciful mix of white-pink and white-blue ruffled double trumpeting blooms creates a delirious carnival of magical color. The vigorous climbing plants climb up to 15 ft. on a trellis. Mix contains 50% pink- and 50% blue-striped flowers.

Climbing Height: 15' Bloom: 2-3"

MORNING GLORY Scarlett O'Hara

Annual Flower

MORNING GLORY Scarlett O'Hara

Annual Flower

Fast-growing vines with attractive foliage and cheerful rosy dark pink 3-4" flowers. Perfect for attracting pollinators and hummingbirds.

Climbing Height: 9-10' Bloom: 3-4"

NASTURTIUM Alaska Mix

Annual Flower

Green-and-white variegated foliage. Brilliant, single, 2" flowers in yellow, crimson, orange, salmon and cherry. Compact, mounding habit. Flowers and peppery-flavored foliage are edible.

Height: 10-15" Spread: 12" Bloom: 2"

NASTURTIUM Empress of India

Annual Flower

Victorian era heirloom. Scarlet flowers stand out amid dark blue-green foliage. Compact, mounded plant habit. Flowers and peppery-flavored foliage are edible.

Height: 16-20" Spread: 12" Bloom: 2"

NASTURTIUM Jewel Mix

Annual Flower

These bright, 2" blooms of red, pink, orange, and yellow are held above light green foliage. Mounded plant habit. Flowers and peppery-flavored foliage are edible.

Height: 16" Spread: 12-14" Bloom: 2"

NASTURTIUM Trailing Mix

Annual Flower

Flowers in rose, orange, and yellow. Perfect for hanging baskets and containers, or even as a ground cover. Produces long runners that trail, or "climb" if tied to upright supports. Flowers and peppery-flavored foliage are edible.

Height: 8-10' Spread: 12-14" Bloom: 2"

NICOTIANA Jasmine

Annual Flower

Lovely, pendulous white star-shaped flowers offer their fragrance to the night. Pollinated by moths. Very easy to grow; plants will re-seed if left in the garden.

Height: 24-36" Spread: 6-12" Bloom: 1½ - 2"

NIGELLA Delft Blue

Annual Flower

Named for the famous Dutch Delft blue pottery. Blue splashes on flower petals in varying shades of blue and gray, and intricate deep-purple centers. Produces unusual seed pods that can be used in fresh or dried arrangements.

Height: 24-36" Spread: 9-12" Bloom: 1½ - 2"

PANSY/VIOLA Helen Mount

Annual Flower

More commonly known as "Johnny Jump-Ups". These violas have petite tricolor flowers in purple, yellow, and white. May reseed. Ht 5-7". Edible.

Height: 5-7" Spread: 9-12" Bloom: 1-2"

PANSY Majestic Giants

Annual Flower

Extra-large pansies. 3-4" blooms in shades of yellow, purple, dark pink and white. Ht 6-8". Edible

Height: 6-8" Spread: 12" Bloom: 3-4"

PANSY/VIOLA Antique Shades

Annual Flower

Viola, also known as "Johnny Jump-Ups". 1½–2" blooms in shades of cream, caramel, mauve, blush, and gold. Vigorous and healthy plants. Mildly fragrant blooms. Edible flowers with slight wintergreen flavor are also good for candying. Can tolerate full sun to partial shade.

Height: 6-10" Spread: 6-9" Bloom: 1½-2"

PANSY/VIOLA Frizzle Sizzle

Annual Flower

Viola, also known as "Johnny Jump-Ups". Whisker-faced 2-2½" blooms edged in yellow and blue, with deeply ruffled margins. Uniform plants. Mildly fragrant. Edible flowers with slight wintergreen flavor are also good for candying. Can tolerate full sun to partial shade.

Height: 6-8" Spread: 6-9" Bloom: 2-2½"

PETUNIA Wave Pink

Annual Flower

Pink is the brightest of all the Waves, with hot-pink blooms that just glow in the sunny garden or hanging basket. Densely-branched, it reaches about 5-to 7-inches-tall and spreads 3 to 4 feet wide before you can turn around.

Height: 5-7" Spread: 3-4' Bloom: 2-2½"

PANSY/VIOLA Frizzle Sizzle

Annual Flower

Viola, also known as "Johnny Jump-Ups". Whisker-faced 2-2½" blooms edged in yellow and blue, with deeply ruffled margins. Uniform plants. Mildly fragrant. Edible flowers with slight wintergreen flavor are also good for candying. Can tolerate full sun to partial shade.

Height: 6-8" Spread: 6-9" Bloom: 2-2½"

PETUNIA Wave Blue

Annual Flower

The velvety, dark blue 2-inch blooms cover this trailing plant for the growing season. The plants are capable of spreading 3 to 4 feet like a ground cover. Mature plant height can be 4 to 7 inches. No pinching or pruning is needed to flower all season.

Height: 4-7" Spread: 3-4' Bloom: 2-2½"

PETUNIA

Wave Purple

Annual Flower

The vibrant rosy-purple blooms cover this 5-to 7-inch-tall, densely-branched plant that spreads 3 to 4 feet before you can turn around. It is magnificent in hanging baskets, window boxes, and large containers, as well as an unrivaled ground-cover for bright sun.

Height: 5-7" Spread: 3-4' Bloom: 2-2½"

PHLOX

Cherry Caramel

Annual Flower

Cherry Caramel's unique color combination makes it popular with designers and gardeners alike. Annual phlox produces charming and abundant blooms on branched stems.

Height: 16-20" Spread: 8-12" Bloom: 1-1½"

PETUNIA

Daddy Mix

Annual Flower

Extra-large ruffled flowers with prominently colored veins in pink, purple, and salmon.

Height: 10" Spread: 10-12" Bloom: 4"

PHLOX

Red

Annual Flower

Just the ticket to add some bold color and flash to your garden! An easy to grow, mid/late season bloomer, Annual Phlox appreciates full sun, and the bees and butterflies always appreciate what this North American Native wildflower has to offer!

Height: 24" Spread: 12-18" Bloom: 1-1½"

RUDBECKIA

Cherry Brandy

Annual Flower

This powerhouse of a plant is just 2 feet tall, but sends up dozens upon dozens of giant daisies over a long season, bringing butterflies and bees to pay their respects all summer long. These flowers reach 3 to 4 inches wide, with petals that shade from zingy cherry-red to deep maroon at the base.

Height: 24" Spread: 12-15" Bloom: 3-4"

RUDBECKIA

Prairie Sun

Annual Flower

Prairie Sun Rudbeckia is a splendid gloriosa daisy, with all the vigor and bloom strength you'd expect in an American native, plus giant blooms of brilliant yellow with a green eye and luscious primrose tips.

Height: 36" Spread: 12-15" Bloom: 5"

SALVIA

Victoria Blue

Annual Flower

Deep blue spikes bloom summer to frost. Uniform plants tolerate heat, humidity, and poor soils. Excellent for cut flowers and drying crafts.

Height: 18-24" Spread: 12" Bloom: 5-8"

SCABIOSA

Pincushion Mix

Annual Flower

Mix of black, blue, creamy yellow, pink, bright red, deep blue, rose hues, and pure white. Elegant cut flower on strong, slender stems.

Height: 24-36" Spread: 9-15" Bloom: 1- 2 1/2"

SCARLET RUNNER BEAN

Annual Flower

Christa's favorite. Scarlet, edible flowers against green, heart-shaped foliage. Rapid climbers. Beans are edible and delicious when young. Keep pods picked for continuous bloom. Ht. 72-96".

Height: 6-8' Spread: 6-12" Bloom: 1"

SNAPDRAGON Night & Day

Annual Flower

The deep scarlet blooms shade almost into black, and highlighting the pure white of the lower "jaws." Absolutely stunning in the bed or border. Blooms in spring and fall in warm climates and all summer in cooler ones.

Height: 18" Spread: 12" Bloom: 2"

SNAPDRAGON Rocket Mix

Annual Flower

Tall spires of blooms in a wide range of colors. Mix includes rose shades, cherry, pink, orchid, red, golden, lemon, and white. Flowers are edible and excellent as cut flowers.

Height: 24-36" Spread: 4-12" Bloom: 12-36"

SNAPDRAGON Potomac Cherry Rose

Annual Flower

Bright spires of candy pink blooms. Flowers are edible and excellent as cut flowers. Considered a "main season" or "all season" variety.

Height: 40-60" Spread: 4-12" Bloom: 12-36"

SNAPDRAGON Potomac Orange

Annual Flower

Bright spires of coral-orange blooms. Flowers are edible and excellent as cut flowers. Considered a "main season" or "all season" variety.

Height: 40-60" Spread: 4-12" Bloom: 12-36"

SNAPDRAGON Potomac Red

Annual Flower

Tall spires of dark, wine-colored blooms. Flowers are edible and excellent as cut flowers. Considered a "main season" or "all season" variety.

Height: 40-60" Spread: 4-12" Bloom: 12-36"

SUNFLOWER Autumn Beauty

Annual Flower

Tall, extremely vigorous plants produce bold, beautiful flowers up to 8" across. Bright yellow, bronze, and purple shades with some bi-colors. Reminiscent of fall leaves. Flower buds can be fried and the petals used as a garnish in salads and desserts; the flavor is bittersweet.

Height: 8-10' Spread: 6" Bloom: 8"

SUNFLOWER Mammoth

Annual Flower

Sky-high 12' plants with huge heads are supported by great, sturdy trunks. Ready to attract pollinators and turn heads in the neighborhood. Roast grey-striped seeds for snacking or feeding wildlife throughout winter.

Height: 12' Spread: 6" Bloom: 10-12"

SUNFLOWER Mixed Colors

Annual Flower

Four types of Sunflowers creating a lovely warm mix of oranges, reds, maroons, and pale and vibrant yellows. Heights vary from 4 to 8 feet. Bloom sizes vary from 3 to 6 inches.

Height: 4-8' Spread: 12" Bloom: 3-6"

TITHONIA Mexican Sunflower

Annual Flower

Tithonia loves it hot and dry. Blooms midsummer until first hard freeze, providing bright, 3-3 1/2" flowers well into fall. Most plants produce orange, with a small percentage producing red or yellow blooms. Nectar plant and habitat for bees and butterflies.

Height: 60-72" Spread: 12-24" Bloom: 3-3 1/2"

ZINNIA Jazzy Mix

Annual Flower

Attractive fully double and semi double blooms are 1-2" in size. Bi-color blooms in shades of burgundy red, yellow, and orange with cream, red, or yellow tips.

Height: 20-26" Spread: 9-12" Bloom: 1-2"

ZINNIA Giant Dahlia Mix

Annual Flower

Similar color and habit of the Benary's Giant Series but will produce 4-6" single, semi-double, and double flowers. Cut-and-come-again flower, yielding multiple cuts over the season. A mix of yellows, roses, scarlet, green, orange, pink, red, purple, and coral.

Height: 40-50" Spread: 9-12" Bloom: 4-6"

ZINNIA

Benary's Giant Coral

Annual Flower

The premium zinnia. High yield of long, sturdy stems with 4-6", fully double, dahlia-like coral blooms. Excellent vase life. Vigorous plants hold up well in summer heat and rain.

Height: 40-50" Spread: 9-12" Bloom: 4-6"

ZINNIA

Benary's Giant Scarlet

Annual Flower

The premium zinnia. High yield of long, sturdy stems with 4-6", fully double, dahlia-like scarlet blooms. Excellent vase life. Vigorous plants hold up well in summer heat and rain.

Height: 40- 50" Spread: 9-12" Bloom: 4-6"

ZINNIA

Benary's Giant Wine

Annual Flower

The premium zinnia. High yield of long, sturdy stems with 4-6", fully double, dahlia-like coral blooms. Excellent vase life. Vigorous plants hold up well in summer heat and rain.

Height: 40-50" Spread: 9-12" Bloom: 4-6"

PERENNIAL FLOWERS

[Return to table of contents](#)

ASCLEPIAS

Bloodflower

Perennial Flower (Zone 3-9)

A unique and stunning Asclepias variety - Bloodflower or Sunset Flower - is a highly cherished plant with stunning flowers that mimic the colors of sunset. Excellent choice for a pollinator garden. Drought tolerant.

Height: 40" Spread: 15-18" Bloom: 2-4" clusters

ASCLEPIAS

Butterfly Weed

Perennial Flower (Zone 3-9)

Perennial pollinator attractor native to North America. Heirloom variety with bright orange summer blooms. Drought tolerant. A must have for butterfly gardens. Hummingbirds love it too!

Height: 28" Spread: 15" Bloom: 2-4" clusters

BEE BALM (Monarda)

Panorama Red

Perennial Flower (Zone 4-9)

Bushy clumping 30" Panorama bears 1-2 whorls of red tubular flowers on each stem from mid to late summer. Attractive to butterflies, hummingbirds and, of course, bees, Monarda can grow in either sun or shade.

Height: 44" Spread: 18-24" Bloom: 1 ½-2"

COLUMBINE

McKana Giants

Perennial Flower (Zone 3-9)

Well-branched plants produce 3-3 ½" blooms with long spurs. A great cut to fill the gap between early spring and summer bouquets. Blooms in spring of second year from a spring sowing. Attracts hummingbirds

Height: 24-36" Spread: 12-18" Bloom: 3-3 ½"

COREOPSIS

Early Sunrise

Perennial Flower (Zone 4-9)

Also known as Butter Daisy or Tickseed. Golden yellow, semi-double flowers on 20" stems. Long blooming from early summer into fall. Coreopsis are easy to grow, neat compact plants. Prolific sunny yellow blooms are sure to catch your eye as you stroll through the garden. Drought and heat tolerant.

Height: 20" Spread: 12-18" Bloom: 2-3"

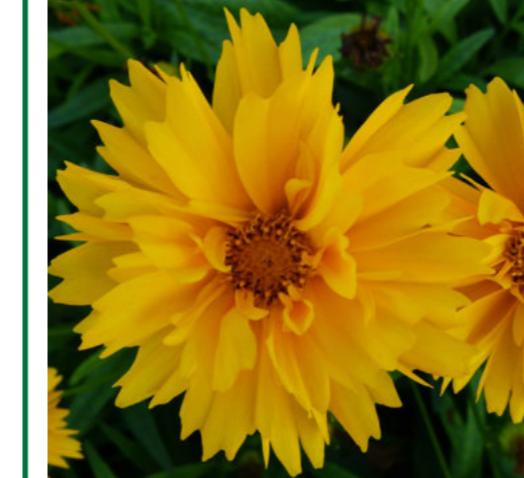

COREOPSIS

Sunburst

Perennial Flower (Zone 4-9)

Bright semi-double, golden yellow 2-3 in. flowers in summer and fall. Heat and humidity tolerant, and will thrive with moderate to little water. Coreopsis require little maintenance, and are rabbit and deer resistant.

Height: 24-36" Spread: 12-18" Bloom: 2-3"

DELPHINIUM

Bellamosum

Perennial Flower (Zone 3-7)

'Bellamosum' is bright, deep blue, with 4' stems. Their colors are stunning and the period of bloom is long, in part because they produce secondary spikes in late summer and fall. Poisonous.

Height: 3-4' Spread: 18-24" Bloom: 4' Stem

DELPHINIUM

Cliveden Beauty

Perennial Flower (Zone 3-7)

'Cliveden Beauty' is an heirloom that carries graceful sprays of sky-blue spikes in early summer. May rebloom in fall if cut back. Poisonous.

Height: 4' Spread: 18-24" Bloom: 3' Stem

DELPHINIUM

Magic Fountains Cherry Blossom

Perennial Flower (Zone 3-7)

Pastel blooms with white centers (bees) in a plum shade that complements a wide range of colors. Magic Fountains' sturdy, compact plants will tolerate windy locations. Attracts bees and butterflies. Poisonous.

Height: 3-4' Spread: 12-18" Bloom: 3' stems

DELPHINIUM

Pam's Choice

Perennial Flower (Zone 4-9)

'Pam's Choice' is a short-lived perennial, about 4 years. White bells with dark plum-colored throats and freckles. Bells form on one side of the stem. Poisonous.

DIGITALIS (Foxglove)

Pam's Choice

Perennial Flower (Zone 4-9)

Short-lived perennial, about 4 years. White bells with dark plum-colored throats and freckles. Bells form on one side of the stem. Poisonous.

NOTE: Flowering occurs in late spring in the second season of growth.

Height: 32-60" Spread: 12-18" Bloom: 3' stems

DIGITALIS (Foxglove) Pink Gin

Perennial Flower (Zone 4-8)

Delicately colored shell-pink bells with lightly freckled throats. Bells form on one side of the stem. Poisonous.

NOTE: Flowering occurs in late spring in the second season of growth.

Height: 36-48" Spread: 12-18" Bloom: 3' Stems

DIGITALIS (Foxglove) Sugar Plum

Perennial Flower (Zone 4-8)

Elegant lavender-pink and plum color palette. Light lavender-pink bells with dark plum-colored throats and freckles. Bells form on one side of the stem. Can be fall or spring-planted. Poisonous.

NOTE: Flowering occurs in late spring in the second season of growth.

Height: 32-40" Spread: 12-18" Bloom: 3' Stems

HOLLYHOCK Nigra

Perennial Flower (Zone 3-10)

Glowing saucers of deep maroon—a color closest to black of any flower. Hollyhock Nigra was present in the famous gardens at Monticello! Truly a bit of history, this uniquely colored variety has been a favorite of gardeners and botanists for nearly four hundred years.

Height: 6-8' Spread: 24"

HOLLYHOCK Rugose

Perennial Flower (Zone 4-8)

Russian hollyhocks lemon yellow flowers are beautiful in the summer garden with deep maroon hollyhocks. Stake if growing in windy areas and space well apart to increase air circulation and avoid disease.

Height: 6-8' Spread: 30"

ECHINACEA

Purpurea

Perennial Flower (Zone 3-10)

Purple flowers in summer attract birds and pollinator insects. Seed pods are favored by goldfinches. Leave spent flowers standing through the winter. Medicinal, use to make tea or extracts.

Height: 24-36" Spread: 18-24" Bloom: 2-3"

YARROW

Colorado Mix

Perennial Flower (Zone 3-9)

2-4", flat-topped flower heads in shades of red, rust, beige, rose, yellow, apricot, and white on 24" stems. When dried, the color is retained.

Attracts beneficial insects such as damsel bugs, lacewings, lady beetles, and parasitic wasps.

Height: 28-30" Spread: 12-24" Bloom: 2-4"

GREENS

SALAD & BUNCHING

ARUGULA

Astro

Annual Vegetable

Early, heat-tolerant arugula. Plant every 2-3 weeks for continuous supply. Performs well as a cut-and-come-again crop. Spicy addition to mixed green salads or served alone. Edible flowers and buds.

Height: 2-3 inch long leaves

BOK CHOY/PAC CHOI

Black Summer

Annual Vegetable

Beautiful dark green pac choi. Best for full size, but also suitable for mini heads. Slightly smaller in size (10-12"). Essential cool season vegetable for stir fry alone or with other ingredients.

Height: 10-12" heads

CHICORY

Mixed Types

Annual Vegetable

Mix of 4 colorful chicorys.

Height: Varies

KALE

Mixed Types

Annual Vegetable

Mixed four pack of kale, with one of each; Green Curly, Red Russian, White Russian, and Lacinato.

Height: Varies 20-36"

KALE

Lacinato

Annual Vegetable

Also known as "Tuscan" or "Dinosaur". Dark blue-green leaves with beautiful savoy. Long season producer.

Height: up to 20"

LETTUCE

Mixed Types

Annual Vegetable

2 green lettuces (Butterhead, Green Leaf, or Romaine) and 2 red lettuce (Butterhead and Red Leaf).

Height: varies

KALE

Winterbor (Green Curly)

Annual Vegetable

Classic green curly kale, growing up to 2-3', with excellent yield and good cold hardiness. The ruffled blue-green leaves on vigorous plants will continue growing to produce leaves for successive harvests as the lower leaves are harvested.

Height: up to 36"

LETTUCE

Romaine (Sparx)

Annual Vegetable

High-yielding, upright, dense heads produce long, uniform hearts with good flavor. Heat-tolerant romaine for hearts. These can get HUGE for us with ample water and nutrition.

Height: up to 18"

LETTUCE

Green Butterhead

Annual Vegetable

Large, bright green butterhead lettuce. Tender, silky leaves. Great for steak salads or use for wraps. A staple lettuce in our Baby Lettuce Mix!

Height: 8-12"

LETTUCE

Red Butterhead

Annual Vegetable

The most beautiful of all our lettuces! A sunset of colors. Beautiful, large, dark red heads with nicely contrasting green centers. Excellent flavor and texture. A staple in our Baby Lettuce Mix!

Height: 8-12"

LETTUCE

Green Leaf/Crisp

Annual Vegetable

Christa's favorite. Summer crisp Batavia type lettuce. Bright green leaves form dense, closed heads. Performs beautifully in the summer heat when other lettuce struggles. Great on burgers or your classic BLT.

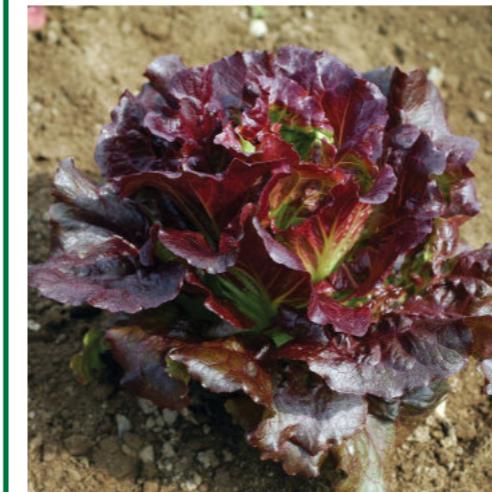

Height: 6-12"

LETTUCE

Red Leaf/Crisp

Annual Vegetable

Thick, juicy, crisp, dark red leaves with good flavor. Very slow bolting with excellent tolerance to summer heat. A nice, crunchy lettuce great for sandwiches!

Height: 6-12"

SPINACH

Kolibri

Annual Vegetable

Semi-savoy, medium-dark green leaves.
Fast regrowth for ample cut-and-come-again harvest. Great for baby spinach.

Height: 4-6"

SWISS CHARD

Bright Lights

Annual Vegetable

A rainbow mix of yellow, red, magenta, pink, and white Swiss chard. Consistent growth rate, leaf shape and texture, and strong bolt resistance across all colors makes this a superior mix.

Height: up to 20" Spread: 18-20"

TOMATOES,

TOMATILLOS

& HUSK CHERRY

CHERRY TOMATO

Sungold

Annual Vegetable

Nature's candy! Exceptionally sweet orange cherry. Vigorous plants, very early - always our first ripe tomato. Every kid's favorite. Indeterminate, needs staking or trellising. 10-15 fruits per cluster.

Height: up to 8-12' Fruit size: 1"

CHERRY TOMATO

Mixed Pack

Annual Vegetable

A colorful assortment of 6 bite-sized tomatoes including 1 Sungold, 1 Supersweet 100, 1 Red Pearl & 3 artisan cherry tomatoes. A fun & delicious group for a children's garden! Indeterminate, will need trellising or staking.

Height: varies 6-12" Fruit Size: varies 1-2 1/2"

CHERRY TOMATO

Supersweet 100

Annual Vegetable

Sunny smooth round yellow orange 8-10 oz. fruits with full tomato flavor. Among the best for flavor and texture. Indeterminate, will need trellising or staking. Up to 100 fruits per cluster.

Height: up to 8-12' Fruit size: 1"

GRAPE TOMATO

Red Pearl

Annual Vegetable

Tender and nearly seedless. Fruits weigh 1/2 oz and have good flavor and a meaty texture. Resists cracking and stores well on and off the vine. Indeterminate, will need trellising or staking.

Height: 8' Fruit Size: 1-2"

HUSK CHERRY Goldie

Annual Vegetable

Small orange berry with a husk. This old-fashioned tomato family member bears $\frac{1}{2}$ - $\frac{3}{4}$ " sweet golden berries inside papery husks. Plants are profusely branching, prolific, and drop ripe fruits. Fruits can be eaten raw, dried like raisins, frozen, canned, or made into preserves, cooked pies, and desserts.

Height: 12-24" Fruit Size: $\frac{1}{2}$ - $\frac{3}{4}$ "

TOMATILLO Toma Verde

Annual Vegetable

Toma Verde is our favorite Tomatillo variety because of its earlier maturation and exceptional sweetness. This dependable, prolific variety also produces fruit up to 2" in diameter. A staple for traditional Verde salsa. Semi-determinate, caging or trellising recommended.

Height: 3-4" Fruit Size: 2"

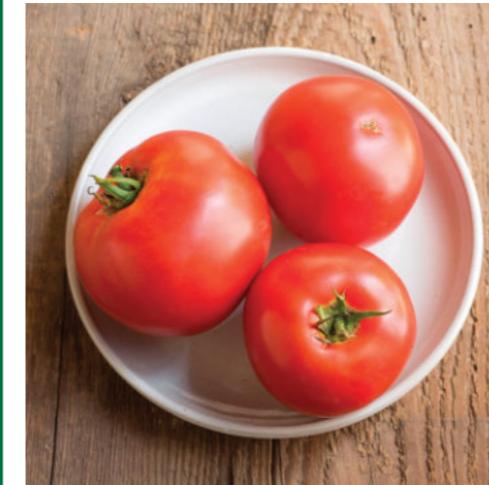

BEEFSTEAK TOMATO Big Beef

Annual Vegetable

Top choice for fresh beefsteak tomatoes. Large, 10-12 oz, globe-shaped red fruit. Full flavor and ripen early for their size. Indeterminate. Needs staking or trellising.

Height: 5-7' Fruit Size: 10-12oz

BEEFSTEAK TOMATO Pink Berkeley Tie-Dye

Annual Vegetable

Technically not an heirloom, but with heirloom appearance and flavor. Beautiful 8-12 ounce fruit with a very sweet, rich, dark tomato flavor. Port wine colored with metallic green stripes. Compact Indeterminate.

Height: 4' Fruit Size: 8-12oz

PASTE TOMATO San Marzano

Annual Vegetable

Considered one of the best paste tomatoes of all time, with old-world look and taste. 4-6 oz. fruits. Indeterminate. Will need staking or trellising.

Height: 6-8' Fruit Size: 4-6oz

PASTE TOMATO Speckled Roman

Annual Vegetable

Striking elongated plum tomato, 6-8 oz., with bright red skin and golden streaks. Meaty red flesh, little juice, good for fresh eating or sauce.

Height: 5' Fruit Size: 6-8oz

PASTE TOMATO Amish Paste

Annual Vegetable

Large for a sauce tomato, Amish Paste's slightly irregular plum to strawberry-shaped fruits avg. 8-12 oz. with excellent flavor. These meaty tomatoes are good in salads and great for processing. Indeterminate. Will need staking or trellising.

Height: 6-8' Fruit: 8-12oz

PASTE TOMATO Speckled Roman

Annual Vegetable

Striking elongated plum tomato, 6-8 oz., with bright red skin and golden streaks. Meaty red flesh, little juice, good for fresh eating or sauce.

Height: 5' Fruit Size: 6-8oz

HEIRLOOM TOMATO Heirloom Mix

Annual Vegetable

A mixed 6-pack of one of each of our most popular heirlooms. Likely varieties will include Brandywine, Green Zebra, Moskvich, Pink Berkeley Tie-Dye, Pruden's Purple and Japanese Black Trifele. Substitutes may occur depending on availability. Indeterminate. Will need staking or trellising.

Height: varies 4-9' Fruit size: varies 4oz-1lb

HEIRLOOM TOMATO Brandywine

Annual Vegetable

Classic, luscious heirloom flavor. Large fruits, often over 1 lb, have a deep-pink skin and smooth, red flesh. Indeterminate. Needs staking or trellising.

Height: 9' Fruit Size: about 1lb

HEIRLOOM TOMATO Moskvich

Annual Vegetable

Usually our first tomato to ripen after the cherry tomatoes. 4-6 oz. fruits, deep red color, rich flavor. Indeterminate, needs staking or trellising.

Height: 5-7' Fruit Size: 4-6oz

HEIRLOOM TOMATO Pruden's Purple

Annual Vegetable

Early Brandywine type. Huge fruits, often 1 lb. Dark pink color, excellent flavor. Much higher yielding than Brandywine, it's closest cousin. Indeterminate, needs staking or trellising.

Height: 6' Fruit Size: about 1lb

HEIRLOOM TOMATO Valencia

Annual Vegetable

Sunny smooth round yellow orange 8-10oz fruits with full tomato flavor. Among the best for flavor and texture. Indeterminate, will need trellising or staking.

Height: 5' Fruit Size: 8-10oz

HEIRLOOM TOMATO Green Zebra

Annual Vegetable

A delicious, tangy salad tomato, ripe just as the green fruit develops a yellow blush, accentuating the darker green stripes. The 3-4 oz. fruits are the ideal size for slicing into wedges for salads. Indeterminate. Needs staking or trellising.

Height: 5-7' Fruit Size: 3-4oz

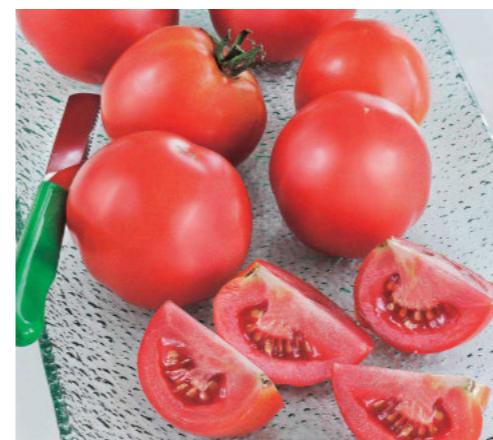

HEIRLOOM TOMATO Japanese Black Trifele

Annual Vegetable

Good yields of 4-6 oz oblong purplish red fruit with excellent, rich flavor. Harvest when shoulders are still green for best flavor. Indeterminate. Needs staking or trellising.

Height: 5' Fruit Size: 4-6oz

SLICING TOMATO New Girl

Annual Vegetable

Always the earliest slicing tomato. Developed from 'Early Girl', this disease-resistant tomato produces medium-sized 4-6oz fruit with exceptional flavor. Perfect for cool Summer areas – like here! Indeterminate, needs trellising or staking.

Height: 5-7' Fruit Size: 4-6oz

PEPPERS

BELL PEPPER

Ace

Annual Vegetable

Extra-early, highly productive bell pepper. Great for our area as it produces well in cool climates. Large yields of medium-size, lobed fruits. Ripen green to red.

Height: 3-4'

Fruit size: about 5in long

BELL PEPPER

King of the North

Annual Vegetable

Reliable set of green to glossy red fruits in short seasons. Improved for a higher percentage of blocky, thick-walled, early ripening peppers each with three to four lobes. Known for its ability to produce good sized peppers in short, cool seasons. Strong plants support heavy yields.

Height: 2'

Fruit Size: 3-4"

SWEET PEPPER

Carmen - Corno di Toro

Annual Vegetable

Sweet. Best-tasting Italian frying pepper. Notably sweet (especially when fully red-ripe) with a shapely tapered silhouette. Begins green, then deepens to a beautiful carmine at maturity. Excellent roasted, grilled, and in salads.

Height: 2'-3' Fruit Size: 6" Long, 2 1/2" Wide

SWEET PEPPER

Lunchbox

Annual Vegetable

Red, yellow, and orange Lunchbox snack peppers. We seed from mixed seed, so no guarantees on what colors you may get! These beautiful, mini-sized peppers are remarkably sweet and flavorful. They are delicious sautéed, as an addition to salads and, of course, perfect for a healthy snack.

Height: 24-30" Fruit Size: 2 1/2-3"

HOT PEPPER

Cayenne

Annual Vegetable

Early, quick-drying cayenne for ristras. Bright red when dried. Flavor is sweet and hot. Matures early. Thin walls.

Height: 24-30" Fruit Size: 3-4" Long

HOT PEPPER

Jalafuego

Annual Vegetable

Large, smooth, dark green fruits. Vigorous plants consistently produce very high yields of 3 1/2 to 4" fruits.

Height: 24-30" Fruit Size: 3 1/2-4"

HOT PEPPER

Habanero

Annual Vegetable

Traditional heat with fruity citrus notes. The extremely pungent wrinkled fruits avg. 2" x 1 ¼" and ripen to salmon orange. A key ingredient in Jamaican "jerk" sauces.

Height: 4-5'

Fruit Size: 2" long, 1 ¼" wide

HOT PEPPER

Mixed Types

Annual Vegetable

A spicy selection of our most popular hot peppers, including one of each; Cayenne, Habanero, Jalapeno, Poblano, Capperino, and Hungarian hot wax.

Height: varies 2-5' Fruit Size: varies 2-6"

HOT PEPPER

Poblano

Annual Vegetable

Fruits are very large, avg. 5" x 3", and are typically two-lobed which makes them easy to stuff and cook in their signature dish, chile rellenos. Mild hot.

Height: 3-5'

Fruit Size: 5" long, 3" wide

CUCUMBERS

MELONS

CUCUMBER Marketmore 76

Annual Vegetable

Long, slender, dark green cucumbers. 8–9" fruits stay uniformly dark green even under weather stress. Perfect for crunchy cucumber sandwiches.

Vine Length: 4-6' Fruit Size: 8-9"

CUCUMBER Max Pack

Annual Vegetable

Huge yields of very uniform, attractive 4 ½" picklers on vigorous vines. Our favorite pickling cuke. Small seed cavity, (a nice feature for a pickling cucumber).

Vine Length: 3-8' Fruit Size: 4 ½"

CANTALOUPE/MELON

Sarah's Choice

Annual Fruit

Sarah's Choice has a thick, orange flesh that is exceptionally juicy and sweet and a thin rind. Very sweet and flavorful 3 lb. fruits. Harvest at full-slip (when a gentle tug removes the fruit from the vine).

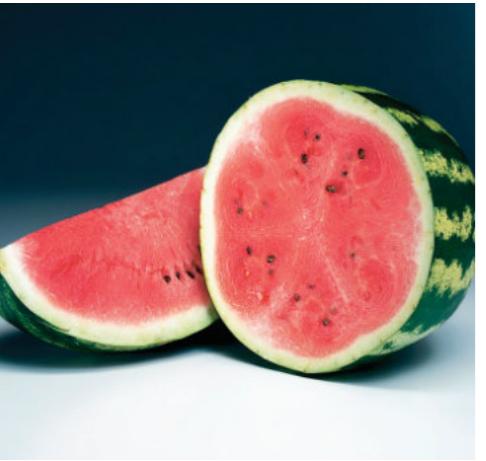

Vine Length: Up to 10' Fruit Size: 3 lbs

WATERMELON

Crimson Sweet

Annual Fruit

Crimson Sweet is famous for its high sugar content and great flavor. Seeds are small and dark. Classic large watermelon with excellent flavor and crisp, sweet pink flesh. Dark and light yellow-green striped, 10" x 12" blocky oval fruits weigh in at 15-25 lb.

Vine Length: Up to 10' Fruit Size: 15-25 lbs

SUMMER SQUASH

ZUCCHINI

YELLOW SQUASH

Success

Annual Vegetable

High-yields of tender yellow summer squash. Pick at 4-7 inches for tender, flavorful squash.

Vine Length: 3-5' Fruit Size: 4-7"

PATTY PAN SQUASH

Jaune et Verte

Annual Vegetable

Attractive light green fruits with dense, flavorful flesh are perfect for stuffing.

Vine Length: up to 6' Fruit Size: 2"H x 3-4"W

ZUCCHINI

Dark Green

Annual Vegetable

The bush-type plants of 'Dark Green' zucchini are vigorous and produce early. The fruit are straight, smooth, mottled dark green with flesh that has a pale green tint, is firm, and has a fine flavor. Glossy, smooth, cylindrical fruit.

Vine Length: 3-5' Fruit Size: 6-7"

PATTY PAN SQUASH

Sunburst

Annual Vegetable

Vigorous plants produce butter-yellow scalloped fruits with bright green blossom ends.

Vine Length: up to 6' Fruit Size: 2"H x 3-4"W

[Return to table of contents](#)

SUMMER SQUASH Mixed Types

Annual Vegetable

One plant each of Yellow Summer Squash, Dark Green Zucchini, Jaune et Verte Patty Pan Squash & Yellow Sunburst Patty Pan Squash.

Vine Length: Varies 3-6' Fruit Size: Varies by type

WINTER SQUASH

¶

PUMPKINS

WINTER SQUASH Acorn - Tuffy

Annual Vegetable

Best tasting acorn. Thicker, sweeter, and drier flesh than other acorns. 2 lb. fruits with black-green skin. Vining plant habit.

NOTE: For sweetest flavor, wait two or more weeks after harvest before eating.

Vine Length: 10-15' Fruit Size: 2lbs

WINTER SQUASH Butternut - Waltham

Annual Vegetable

Large fruits with small seed cavities and thick, straight, cylindrical necks. Flesh has smooth texture and sweet flavor, particularly after two months of storage. Healthy fruits weigh 4-5 lbs.

Vine Length: 10-12' Fruit Size: 4-5lbs

WINTER SQUASH Delicata

Annual Vegetable

Britney's favorite! Cream skin and dark green longitudinal stripes and flecks. The sweetest of all the winter squash, and skin is tender enough to eat. Excellent for stuffing and baking, even right at harvest.

Vine Length: 24-30" Fruit Size: 6" L x 3" W

WINTER SQUASH Spaghetti

WINTER SQUASH Spaghetti

Annual Vegetable

Annual Vegetable

Noodle-like consistency. Slightly sweet, nutty flavor. Oblong in shape with ivory skin that changes to pale yellow at maturity. Try baking this one and serve it with olive oil rubbed Sun Gold tomatoes cut in half and broiled.

Vine Length: 8' Fruit Size: 8-9" L x 4-5" W

PUMPKIN New England Pie

Annual Vegetable

Also known as Small Sugar pumpkin. Dark orange-skinned pumpkins in a range of small sizes, typically 4-6 lb. Outstanding for processing and pumpkin pies.

Vine Length: 12' Fruit Size: Avg 6-8" W, 4-6 lbs

PUMPKIN Howden

Annual Vegetable

Howden is the traditional old-time Halloween favorite. The 20–30 pound, intensely bright orange pumpkins have defined ribs and strong handles for jack-o'-lanterns. Large spreading 10 foot vines produce 4–6 carving pumpkins per plant.

Vine Length: 10' Fruit Size: 20-30 lbs

ALLIUMS

ONION - YELLOW

Patterson

Annual Vegetable

20-25 plants in a 3" pot. Gently separate to plant. Exceptionally long-storing yellow onion. Medium-large, blocky bulbs with dark yellow skin and thin necks that dry quickly.

Bulb Size: 3 ½"-4" across

ONION - RED

Red Wing

Annual Vegetable

20-25 plants in a 3" pot. Gently separate to plant. Superior red color, long storage. Uniform, large onions with deep red color. Thick skin, very hard bulbs. Good red color in the rings. Due to the late maturity, many growers choose to grow this onion variety from transplants. Sweet and spicy red onion flavor accents any salad.

Bulb Size: 3-4" across

ONION - WHITE

Ailsa Craig

Annual Vegetable

20-25 plants in a 3" pot. Gently separate to plant. Huge, sweet onions. Jumbo, round to teardrop-shaped bulbs with light yellow skins. Use fresh or for short-term storage.

Bulb Size: 6-8" across

SHALLOT

Ambition

Annual Vegetable

25-30 plants in a 3" pot. Gently separate to plant. Large, half-long style French shallots with reddish-copper skin and white flesh. Very firm, and suitable for long storage through spring.

Bulb Size: 1 ½"-2" across

LEEK

King Richard

Annual Vegetable

Approximately 20 plants. Gently separate to plant. Remarkable earliness and size. Beautiful full-sized leeks. In favorable soil and culture, the white shanks are over a foot long to the first leaf. While not hardy enough for overwintering, they will withstand medium-heavy frost.

Mature Height: 18-30" (12" Cut Leek)

GREEN ONION

Scallion

Annual Vegetable

25-30 plants in a 3" pot. Gently separate to plant. Bright white shanks with no bubbling, and dark green, erect foliage. Very uniform, upright growth.

Height: 12-16"

LEEK

Tadorna

Annual Vegetable

Approximately 20 plants. Gently separate to plant. The most reliable OP fall leek. A vigorous grower producing a medium-length white shank and contrasting, very dark blue-green foliage. Holds in the field for fall into winter harvest, and overwinters in moderate climates.

Mature Length: 12-18" (7-8" Cut Leek)

BEANS & PEAS

GREEN BEAN

Provider

Annual Vegetable

Earliest to market. Provider can be planted earlier than other beans because it germinates well in cool soils. Compact plants are easy to grow and adaptable to diverse soil and climate conditions. Produces 5-5 ½" fleshy round pod green beans.

Height: 18" Pod Size: 5-5 ½"

POLE BEAN

Fortex

Annual Vegetable

Dependable favorite with excellent flavor. Growing to over 11", Fortex produces extra-long round pods. Early and very productive, the beans may be picked at 7" in length for extra-slender "filet" beans. Dark green, firm-textured pods are completely stringless and delicious at all lengths, even after the seeds enlarge.

Height: Up to 11' Pod Size: Up to 11"

[Return to table of contents](#)

SUGAR SNAP PEAS

Super Sugar Snap

Annual Vegetable

Our favorite sugar snap pea - Super Sugar produces huge pods that get very sweet, especially if allowed to plump up before picking. Climbing, must be staked or trellised. Sold as 4 clusters of plants.

Height: 5' Pod Size: 3-4"

OTHER
VEGETABLES

ARTICHOKE Wonder

Annual Vegetable

Wonder is a new artichoke variety that offers yields early and often! Has thick, dense 5" heads with good bright color. Very firm with a tender and delicious center.

Height: 36-48" Size: 5" Heads

BOK CHOY/PAC CHOI Black Summer

Annual Vegetable

Beautiful dark green pac choi. Best for full size, but also suitable for mini heads. Slightly smaller in size (10-12"). Essential cool season vegetable for stir fry alone or with other ingredients.

Height: 10-12" heads

BEETS Boldor

Annual Vegetable

Beautiful golden beets. Excellent sweet flavor is delicious when juiced, shredded or roasted, and add the young, tender leaves to your favorite salad! 4 clusters of 2-3 plants. Do not separate when planting.

Height: 6-12" Root Size: Avg 2-3" in diameter

BOK CHOY/PAC CHOI

BEETS Red Ace

Annual Vegetable

Reliable, adaptable, and fast-maturing beet with strong tops. Sweet and tender, with red-veined greens. 4 clusters of 2-3 plants. Do not separate when planting.

Height: 6-12" Root Size: Avg 3-4" in diameter

BROCCOLI

Eastern Magic

Annual Vegetable

Bred for the northeast US and Canada, 'Eastern Magic' is a super-producer; high-domed 28-30" plants' hefty blue-green crown are loaded with tangy, nutty, buttery flavor. Enjoy every which way: sautéed, roasted or steamed—or in the raw as crunchy canapes.

Height: 28-30" with avg 4-6" heads

BRUSSELS

Gladius

Annual Vegetable

Early and firm. Blue-green sprouts are uniform in size and color and hold well on their stalks. For early fall harvest.

Height: 25-30" Avg Sprout Size: 1"

BROCCOLI RABE

Di Cicco

Annual Vegetable

A traditional Italian heirloom variety producing small, avg. 3-4" main heads projected well above the foliage followed by a large yield of side-shoot spears. Pinching recommended to encourage heavier side-shoot production.

Height: 24-36" with avg 3-4" heads

CAULIFLOWER

Amazing

Annual Vegetable

Medium-size plants with domed, solid heads. The 10-inch heads are rounded, very dense, and tightly zoned into small florets. Tolerant to both heat and cold stress. Heads are well protected by big wrapper leaves and retain all their flavor and texture over a very long period in the field.

Height: 12-14" with average 10" heads

CABBAGE

Farao

Annual Vegetable

Farao's deep green heads are nicely nestled in its protective outer leaves. Farao will remain in the garden for a long time without splitting. Once cut, the heavy 3-4 pound heads reveal a dense interior with a crisp mellow peppery taste, which is great in stir-fry.

Height: 12-18" Spread: 18-24" Heads: 3-4 lbs

CABBAGE

Primero

Annual Vegetable

An early, compact cabbage with a deep ruby red color that has a sweet taste, tender texture and is perfect for a single meal. A very productive variety, great for tight space plantings with an average head weight of 2-3 pounds.

Height: 12-24" Spread: 12-24" Heads: 3-4 lbs

CELERY

Tango

Annual Vegetable

Vigorous celery. Juicy crunchy, with great flavor. Needs ample water and nutrition to thrive.

Height: 15-18" Spread: 6-8"

CABBAGE

Primero

Annual Vegetable

An early, compact cabbage with a deep ruby red color that has a sweet taste, tender texture and is perfect for a single meal. A very productive variety, great for tight space plantings with an average head weight of 2-3 pounds.

Height: 12-24" Spread: 12-24" Heads: 3-4 lbs

CORN

Who Gets Kissed

Annual Vegetable

Excellent flavor and texture; good cool soil emergence. Compact 5-6' tall plants with ears 2' off the ground; 14-16 rows of kernels each. Good tip fill and husk coverage. Ears have an extended harvest window - check frequently for maturity.

Height: 5-6' with 7-8" ears

EGGPLANT Galine

Annual Vegetable

High-yielding black bell type. Very glossy, uniform, black to purple fruits are 6-7" long by 3-4" diameter. Strong plants produce early, firm fruits.

Height: 30-36" Fruit Size: 6-7" Long x 3-4" Wide

FENNEL

Annual Vegetable

Fennel is a cool-season crop that grows to about 2' in height, with feathery, edible, dill-like foliage. The base of the leaf stalks overlap and swell to form a thick, crisp, above-ground bulb with a fresh, delicate anise-like flavor.

Height: 24" Bulb Size: 4"

EGGPLANT Orient Express

Annual Vegetable

We have found Orient Express to be the most dependably productive eggplant. High-yielding plants produce armloads of attractive, slender, and glossy fruits 8-10" long. Ready up to 2 weeks before other early varieties and sets fruit in cool weather and under heat stress. Tender, delicately flavored, and quick cooking.

Height: 24-30" Fruit Size: 8-10" Long

PLANTERS & HANGING BASKETS

BACOPA

Blutopia

Annual Flower

Eye-catching lavender blue blooms on self cleaning, heavy blooming, trailing 4-6 in. high, 18-24 in. wide plants. Blutopia bacopa is blanketed with showy flowers from spring until frost. Extremely pest and disease resistant, Blutopia bacopa thrives in sun, part sun, or light shade.

Height: 4-6" Spread: 18-24"

BACOPA

Snowtopia

Annual Flower

If you are new to Bacopas, you will fall in love with these abundant white blooms. Snowtopia Bacopa has emerald green foliage and snowy white small flowers that will bloom non-stop from spring through fall.

Height: 4-6" Spread: 18-24"

CALIBRACHOA Kabloom Cherry

Annual Flower

Kabloom is a trailing variety with absolutely nonstop flowers all summer. The flowers self-clean. These beautiful cherry blooms are an unusual and very pleasing color in the garden. They won't fade in the summer sun, and butterflies and bees will visit them frequently.

Height: 8-12" Spread: 10-14" Bloom: 1"

CALIBRACHOA Kabloom Denim

Annual Flower

Kabloom is a trailing variety with absolutely nonstop flowers all summer. The flowers self-clean. Blue blooms are always valuable in the garden, and this denim color is very unique. Butterflies and bees will visit, and it complements all the lighter shades in the summer garden and on the patio.

Height: 8-12" Spread: 10-14" Bloom: 1"

DICHONDRA Emerald Falls

Foliage, Annual

Slightly rounded leaves are green, with a fuller, shorter trailing habit than Silver Falls. Best in containers or hanging baskets, either as a stand-alone plant or an accent plant. Thrives in full sun and well-drained soil.

Height: 3" Spread: 4'

DICHONDRA Silver Falls

Foliage, Annual

Stunning foliage plant that sports velvety-soft silvery leaves, glistening silver stems, and a "never-say-quit" cascading habit that spreads up to 5 feet. Very heat- and drought-tolerant. Thrives in full sun and well-drained soil.

Height: 3" Spread: 4-6'

DWARF SUNFLOWER

Mixed Planters

Annual Flower

Seasonally available Sunflower Planters to add some summer color to your porch! We offer a few different dwarf varieties, depending on the years' availability. Average height is 8-12".

Height: Varies, average 8-12"

MIXED HERBS

Small or Large Planter

Perennial Herb

A mixed herb planter featuring a selection of our perennial, culinary herbs. Small planters have three plants, large planters have five. Will grow best in full sun. Keep near the kitchen for easy added flavor for any dish!

Height & Spread: Varies

Height: 12-18" Spread: 12-18"

NASTURTIUM

Trailing Mix

Annual Flower

Our most popular Nasturtium with a trailing habit featured prominently in a hanging basket! Flowers in red, rose, orange, and yellow. Hang near your front door or kitchen for easy access to spicy, colorful salad additions.

Height: 12" Spread: 12-78"

ORNAMENTAL PEPPER

Eastern Ornamental Pepper

Annual Ornamental Vegetable

Compact-growing annual great for containers. Featuring a mix of colorful summer peppers. Thrives in full sun or partially shaded areas. Peppers are extremely HOT!

PANSY

Cool Wave Blue Skies

Annual Flower

Pansy Cool Wave Blue Skies has soft blue blooms with a spreading yellow center. Cool Wave is the fastest-growing, longest-lasting, truly trailing pansy for the Spring & Fall seasons.

Height: 6-8" Spread: 24-30"

PANSY

Cool Wave Morpho

Annual Flower

Pansy Cool Wave Morpho has blue blooms that blend into a large yellow center. Cool Wave is the fastest-growing, longest-lasting, truly trailing pansy for the Spring & Fall seasons.

Height: 6-8" Spread: 24-30"

PANSY

Cool Wave Fire

Annual Flower

Rich dark red with a yellow face brings "fire" to Cool Wave. Shows more red in the face during Winter/Spring production (cool season) and more yellow in the face during Summer/Autumn production (warm season). Cool Wave is the fastest-growing, longest-lasting, truly trailing pansy for the Spring & Fall seasons.

Height: 6-8" Spread: 24-30"

PANSY

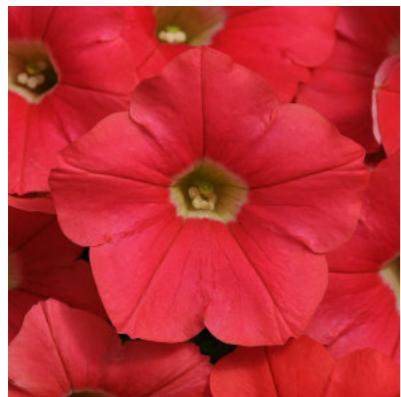

Cool Wave Purple

Annual Flower

Pansy Cool Wave Purple has bold purple blooms. Cool Wave is the fastest-growing, longest-lasting, truly trailing pansy for the Spring & Fall seasons.

Height: 6-8" Spread: 24-30"

PETUNIA

Shock Wave Coral Crush

Annual Flower

Shock Wave produces a mounded, spreading plant. Its beautiful 2 inch coral blooms will flourish from Spring to late Summer. Petite-flowered plants perform equally well in small spaces, hanging baskets, containers and mixed combos.

Height: 7-10" Spread: 20-30"

PETUNIA

Shock Wave Pink Vein

Annual Flower

Blush pink flowers with deep violet rose veins and throat. The 2 inch, self-cleaning flowers cover the plants from mid-spring until early autumn. Shock Wave Pink Vein is an easy to grow, low maintenance trailing petunia, which tolerates heat, humidity and rain. Use in borders, hanging baskets, planters, or to edge pathways.

Height: 7-10" Spread: 30-36"

PETUNIA

Shock Wave Deep Purple

Annual Flower

Shock Wave petunias are heavy flowering, low maintenance, and tolerant of heat and humidity. Shock Wave Deep Purple's 2 inch ultraviolet-to-fuchsia blooms are outstanding in beds, borders, containers for eye-catching color.

Height: 7-10" Spread: 30-36"

PETUNIA

Shock Wave Tie-Dye Purple

Annual Flower

You never know what you might get with this color-changing chameleon. The color pattern of this purple petunia is not stable, but changes depending on light intensity and temperature. Petite-flowered plants perform equally well in small spaces, hanging baskets, containers and mixed combos.

Height: 7-10" Spread: 20-30"

THUNBERGIA Blushing Susie

Annual Flower

Blushing Susie Black-Eyed Susan Vine flowers are found in unique shades of red, apricot, peach, pink, salmon and ivory, all have dark-burgundy eyes. Individual blooms change color as they age, provide you with a nice range of colors on a single vine.

Climbing Height: 4-5' Blooms: 1 ½-2"

THUNBERGIA Susie White

Annual Flower

Susie White is very quick to bloom and offers a super long season of color. The petals are white (with hints of softest yellow toward the center), surrounding a bold black eye. And the blooms are VERY profuse, simply covering this 5 to 8 foot vine over a long early summer to frost season.

Climbing Height: 5-8' Blooms: 1 ½-2"
