

2024 SEEDLING CATALOG

HELLO PLANT FRIENDS

Welcome to our online 2024 Seedling Catalog!

We're looking forward to another great year of growing for your tables and your gardens! Our 200+ varieties of Seedlings, Planters & Hanging Baskets are grown here on Bahner Farm and Certified Organic by MOFGA.

We've compiled our 2024 Availability into an interactive & downloadable online catalog to serve as a visual aid when planning your gardens! Use the clickable "**Table of Contents**" page to search for all your favorites!

Seedlings will be available for **Pre-Order** starting February 15th. Once you have your list compiled, click the link below to access our 2024 Seedling Pre-Order Store.

Our Farmstand & Retail Greenhouse will be open to the public on May 1st. Until then, stay safe, healthy & happy!

From the
Bahner Family & Crew
Thank you &
Happy planting!

**PRE-ORDER
HERE**

BAHNER FARM

is a 49 acre family farm in beautiful Belmont, Maine.

We own our farm on Rt. 3 as well as some fields on Howard Rd., and lease fields in two other locations nearby.

We cultivate 6 acres of mixed vegetables for our Farmstand, Daybreak Growers Alliance, and other local businesses.

Visit our Full Service Farmstand and Retail Greenhouse to find our seasonally grown produce, organic seedlings, locally sourced dairy, breads & other goods. We're located on Maine Route 3, about five miles west of downtown Belfast, at

**153 Augusta Road,
Belmont, Maine 04952.**

OUR ORGANIC SEEDLINGS

All of our seedlings are **Certified Organic** by **Maine Organic Farmers & Gardeners Association**.

Seedlings are more prone to under and over watering. Keep soil moist but not soggy and let the soil dry slightly between waterings. Try to provide at least 8-12 hrs of direct, bright light and keep temps between 55-70 degrees until they're ready to plant outdoors. Most young seedlings need 1-2 weeks of "hardening off" before planting.

For more information on planting dates and general seedling care, click [HERE](#) to check out the Seedling Page on our website.

ANNUAL

HERBS

BASIL

Prospera

Annual Herb

Classic green Genovese. What's a summer garden without basil? Our current preferred variety is Prospera. The dense, slow-bolting plants produce large 3-4", dark green, glossy, heavily cupped leaves. Traditional Genovese aroma and excellent flavor. Uniform plants with short spaces between leaves produce high yields.

Height: 20-24"

BASIL

Amethyst Improved

Annual Herb

Purple Genovese type basil. Large 2-3" long, turned-down leaves. This stunning basil is nearly black in color. Purple flowers and red leaves make an attractive garnish. Use the flowers in any recipe that calls for basil, or to garnish drinks, salads, soups, pasta, and desserts. Flavor is of intense basil.

Height: 16-20"

BASIL

Mrs Burn's Lemon

Annual Herb

Sweet and tangy lemon basil. Very bright green, 2 1/2" long leaves with white blooms. Intensely flavorful, aromatic.

Height: 20-24"

BORAGE

Borage

Annual Herb

Edible flower with mild cucumber flavor. Large plants bear hundreds of small edible flowers, mostly blue and some pink. Long harvest period. Borage readily self-sows. Borage flowers attract bees and butterflies.

Height: 18-30" Spread: 12"

BASIL

Sweet Thai

Annual Herb

Called "Horapha" in its mother country, "Hun Que" in Vietnam. Green, 2" long leaves. Spicy, anise-clove flavor. Purple stems and blooms. Aromatic. Holds well when used as a cut flower.

Height: 16-20"

CHAMOMILE

Annual Herb

Excellent dried tea herb with prolific displays of tiny, aromatic flowers. Self-seeding annual herb with sweet scented, daisy-like flowers harvested and dried for herbal teas.

Height: 8-24" Spread: 12"

CILANTRO

Cruiser

Annual Herb

Bolt-resistant variety with uniform plants. Large leaves and sturdy stems make it an ideal bunching variety for fresh-market sales. 4-6 plants to be planted in a cluster. Plant every 3 weeks or so for continuous supply. Leaves, seeds and flowers are all edible. A must have for salsa and guacamole!

Height: 12-18"

PARSLEY

Giant of Italy

Annual Herb

Our favorite parsley - packed with flavor. Dark green foliage. Harvest central bracts first, cut all and freeze or dry before hard freeze.

Height: Varies

DILL

Fernleaf

Annual Herb

4-6 plants to be planted in a cluster. Plant every 3 weeks or so for continuous supply. May be used as leaf or left go to seed. Indispensable for seasoning cucumbers, soups, fish and salads.

Height: 12-15" Spread: 10-12"

PARSLEY

Curly - Krausa

Annual Herb

Thick curls of deep green leaves on remarkably sweet stems. Beautiful curled-leaf parsley with delicious stems. These plants hold their color in the field without developing white or brown spots. Very cold tolerant and stands up well to summer heat.

Height: Varies

SHISO

Green Shiso

Annual Herb

Versatile Asian culinary herb. Distinct cinnamon/clove flavor and aroma, with the spiciness of cumin. Used in Asian cooking, sushi and salad mix. Edible Flowers: The flowers are a flavorful addition to salads and Asian dishes. Pairs well with fish, rice, noodles, and cucumbers. The minty, basil-like flavor has hints of clove and cumin.

Height: 18-30" Spread: 6-12"

PERENNIAL

HERBS

CATMINT (NEPETA)

Catnip

Perennial Herb (Zone 3-9)

Cat-attracting perennial with gray-green leaves and white flowers. Vigorous, high-yielding plants. Flowers are very attractive to bees.

Height: 24-28" Spread: 12-18"

LAVENDER GROSSO

Fat Spike

Perennial Herb (Zone 4b)

Large, violet-blue flowers atop grayish-green foliage. Prefers well drained soil, full sun. Perennial with care - protect in winter. Drought tolerant and deer resistant.

Height: 24-36" Spread: 24-36"

CHIVE

Staro

Perennial Herb (Zone 3-9)

Staro variety chive, with a thick leaf, great for freezing and drying. Excellent flavor, beautiful edible flowers are also an early treat for your pollinators and beneficial insects.

Height: 12-18"

LEMON VERBENA

Tender Perennial Herb (Zone 9-10)

Lemon-scented leaves. Tender perennial, cannot overwinter outdoors. May be grown outdoors or indoors in a sunny location.

Height: Varies, up to 6'

MINT

Mojito

Perennial Herb (Zone 4-10)

Our favorite mint, with vivid bright green leaves that burst with flavor. Originally from Cuba. Classically known as the official mint for the mojito beverage. Vigorous growth habit.

Height: 18-24" Spread: 24"

MARJORAM

Sweet Marjoram

Tender Perennial Herb (Zone 9-11)

Aroma is similar to oregano, but sweeter and more balsam-like. Compact plant. Edible Flowers: Use the flowers, which have a mild and marjoram-like flavor, as you would the herb to garnish salads, soups, stews, sauces, and stuffing. Also pairs well with citrus, mushrooms, & fish.

Height: 8-24" Spread: 6-8"

MINT

Peppermint Chocolate

Perennial Herb (Zone 3-8)

Purplish green stems, and leaves with peppermint patty aroma and flavor. Leaves are best used fresh in teas, iced drinks or baked goods. Pale lavender flowers attract butterflies, hummingbirds & pollinators. Deer resistant.

Height: 18-24" Spread: 24"

OREGANO

Greek Mountain

Perennial Herb (Zone 5-10)

Spicy, aromatic oregano originating in the mountain of Greece. The real thing for drying and use in your favorite cuisine. Vigorous plant will grow in a wide range of conditions but prefers sun and well drained soil. Can be grown in containers.

Height: 10-12" Spread: up to 24"

ROSEMARY

Tuscan Blue

Tender Perennial Herb (Zone 6-10)

This evergreen shrub grows in an upright habit and has elongated, very fragrant foliage. Beautiful, aromatic and drought tolerant. Edible Flowers: Although the flowers are small, they have a bold rosemary flavor. Tender perennial: Will need protected in winter.

Height: 18-60' Spread: 8-24'

ROSEMARY

Blue Rain

Tender Perennial Herb (Zone 8-10)

Long runners with long flowering- light blue flowers. Good prostrate variety for hanging baskets, container gardening. Established plants are drought tolerant. Tender perennial: Will need protected in winter.

Height: 6-10" Spread: 18-24"

ROSEMARY

Gorizia

Tender Perennial Herb (Zone 8-10)

Large, green leaves on sturdy stems, blue flowers. Drought tolerant when established and deer resistant. May be grown in ground or container. Tender perennial: Will need protected in winter.

Height: 3-5' Spread: 3-5'

SAVORY

Winter Savory

Perennial Herb (Zone 5-11)

Fragrant, green foliage, white flowers and a strong peppery flavor. Used in cooking shell beans, and medicinally. Very hardy and persistent.

Height: 12" Spread: 12"

SAGE

Grower's Friend

Perennial Herb (Zone 6-9)

Outstanding culinary sage. Unlike other sages that tend to have altered flavor after flowering, Grower's Friend rarely, if ever, blooms. The robust plants grow to 18 inches tall. Short-lived perennial.

Height: 18" Spread: 16"

TARRAGON

French Tarragon

Perennial Herb (Zone 4-10)

Narrow, green leaves have a licorice aroma and flavor. Grow in sunny, well drained soil. Tarragon is a fine seasoning for fish and poultry, and, along with chives, parsley and chervil, is one of the French Fine Herbes mixture of finely chopped herbs.

Height: 18-36" (semi upright)

SAGE - SALVIA ELEGANS

Pineapple Sage

Tender Perennial Herb (Zone 8-11)

Light green leaves are pineapple scented. The flowers are reminiscent of Honeysuckle and make a colorful addition to salads, fruit cocktails or any garnish. Showy red flowers attract butterflies, hummingbirds & pollinators. Deer resistant. Tender perennial: Will need protected in winter.

Height: 36-48" Spread: 12"

THYME

English Thyme

Perennial Herb (Zone 4-10)

Green leaves, light mauve flowers. Vigorous, low-growing plant with fragrant leaves. Harvest fresh any time by cutting a couple of inches from new growth. For drying, cut after bloom. Small pollinators and beneficial insects adore all thyme flowers.

Height: 12" Spread: 18"

THYME

Creeping Thyme

Perennial Herb (Zone 3-10)

Creeping, sweet-scented ground cover with purple flowers. Good in rock gardens, between stepping stones or on dry slopes. Likes good drainage, full sun and alkaline soil.

Height: 3-4" Spread: 6-18"

ANNUAL

FLOWERS

ALYSSUM

Sweet Alyssum

Annual Flower

Attracts and supports beneficial insects. Fast and low growing. Sprawling plants with dense clusters of very fragrant, small white flowers. Drought tolerant.

Height: 4-10" Spread: 6-12"

ALYSSUM

Wonderland Mix

Annual Flower

Sprawling plants with dense clusters of very fragrant, small flowers in a mix of Blue, Deep Pink, Deep Purple, Deep Rose, Lavender, Pink, and White. Attracts and supports beneficial insects. Fast and low growing. Trim back to get constantly-returning blooms. Mix produces a wide variety of color and would be perfect for full sun to partial shade. Drought tolerant and deer resistant.

Height: 3-9" Spread: 10-12"

ALYSSUM

Wonderland Deep Purple

Annual Flower

Attracts and supports beneficial insects. This series produces dwarf plants with a vigorous spread. All are well-matched for plant height and bloom timing. Dark Purple color.

Height: 4" Spread: 12-18"

ARTEMISIA

Sweet Annie

Annual Flower

Sweetly aromatic everlasting. Tall plants with fern-like dark green foliage dotted with tiny cream-yellow colored flowers. Use foliage for wreaths and as filler for mixed bouquets. Also known as sweet sagewort, sweet wormwood, and Chinese wormwood.

Height: 48-72" Spread: 10-12"

BACHELOR'S BUTTON

Florist Blue Boy

Annual Flower

Known commonly as Bachelor's Button or Cornflower, Centaurea's upright plants produce abundant double and semi double, 1-1½" blooms. Edible blooms are a popular choice for brightening up salad mix. Can be used as cut or dried flowers.

Height: 30-38" Spread: 12-24" Bloom: 1-1½"

BACOPA

Blutopia

Annual Flower

Eye-catching lavender blue blooms on self cleaning, heavy blooming, trailing 4-6 in. high, 18-24 in. wide plants. Blutopia bacopa is blanketed with showy flowers from spring until frost. Extremely pest and disease resistant, Blutopia bacopa thrives in sun, part sun, or light shade.

Height: 4-6" Spread: 18-24"

BACHELOR'S BUTTON

Classic Magic

Annual Flower

Eye-catching mix of black, deep plum, plus purple and white bicolor blooms. Easy to grow, pollinator-friendly and a great choice for beginners, Bachelor's Buttons will flower over a long period of time if regularly harvested. Edible blooms are a popular choice for brightening up salad mix. Can be used as cut or dried flowers.

Height: 36-40" Spread: 12-24" Bloom: 1-1½"

BACOPA

Snowtopia

Annual Flower

Brilliant White blooms on self cleaning, heavy blooming, trailing 4-6 in. high, 18-24 in. wide plants. Snowtopia bacopa is blanketed with showy flowers from spring until frost. Extremely pest and disease resistant, Snowtopia bacopa thrives in sun, part sun, or light shade.

Height: 4-6" Spread: 18-24"

CALENDULA

Flashback Mix

Annual Flower

Spectacular mix of warm colors with bicolor petals. Flowers are used in antiseptic tinctures and healing skin ointments. Flower petals are edible and can be used in a number of dishes. Flavor is tangy and slightly bitter.

Height: 18-24" Spread: 12-18" Bloom: 1½ - 3"

CELOSIA

Pampas Plume

Annual Flower

Masses of soft, feathery, 2-6" long plumes in scarlet, orange, bright yellow, pink, cream. Multi-branching plants produce 10-14 stems each. Also known as cockscomb. Excellent as a cut flower. Early pinching is recommended to increase branching.

Height: 33-48" Spread: 6-12" Bloom: 2-6" long

COLEUS

Rainbow Formula Mix

Annual Flower

This strain has broad leaves on well-branched plants and is great for containers or filling out flower beds. Features a wide range of Rainbow color combinations. Coleus is shade tolerant and does best in dappled shade with direct sun limited to morning hours.

Height: 12-15" Spread: 10-12"

COSMOS

Versailles Mix

Annual Flower

Early blooming and vigorous. Blooms are 2½" across in shades of blush pink, pure white, carmine red, and pink with a deep pink eye. Pinching is encouraged and deadheading is required to have blooms all summer. Excellent cut flowers.

Height: 40-48" Spread: 24-30" Bloom: 2½"

COSMOS

Bright Lights

Annual Flower

Vigorous plants flower over a long season, creating rich color in the garden and a vibrant food source for bees, butterflies, and other pollinators. Plant architecture is tall but open and airy, so plants are less prone to lodging or falling over. 1 1/2-2" wide, double and semidouble blooms in shades of orange and gold.

Height: Varies Spread: 9-12"

COSMOS

Double Click Cranberries

Annual Flower

Tall plants with strong stems support fully double and semi-double blooms 2-3" across. The deep color adds richness to cut-flower arrangements.

Height: 42-26" Spread: 9-12" Bloom: 2-3"

COSMOS

Apricot Lemonade

Annual Flower

The 'Apricot Lemonade' cosmos is the first early flowering cosmos. It is a sturdy, upright bushy plant that can also be used in cut flower arrangements. An apricot, central pink ring and pink reverse makes this cosmos a stand out in any landscape or patio pot.

Height: 20-28" Spread: 15"

DUSTY MILLER

Silverdust

Annual Flower

Dusty Miller's silvery foliage is now a very popular cut-flower filler for elegant bouquets. Silverdust has large, 3-7" long, velvety leaves with a magical snowflake appearance.

Height: 8-18" Spread: 9-12"

GOMPHRENA

QIS Carmine

Annual Flower

Unusual, glowing, 1 1/2" carmine blooms on long stems. Best rose-colored gomphrena for cut flowers. Great for bouquets, drying and crafts.

Height: 18-28" Spread: 6-8"

Gerbera Daisy

Gerbera Mix

Annual Flower

Compact plants with gorgeous, large 3 1/2 - 4" wide blooms on pencil-thick stems. Blooms in shades of pink, rose, yellow, white and watermelon-red. Heat tolerant and deer resistant.

Height: 10-14" Spread: 10-12"

GOMPHRENA

Raspberry Cream

Annual Flower

Gomphrena in a glowing, creamy raspberry color. Uniform, productive plants. 1 1/2" blooms. Excellent for cut flowers and drying flower crafts.

Height: 18-28" Spread: 6-8"

HYACINTH BEAN

Ruby Moon

Annual Flower

Purple stems, lilac-rose blossoms, and shiny 2-3" magenta pods. Ideal for cut flowers and drying crafts. While all parts of the plant are edible, we recommend boiling the mature seeds twice before eating. Flowers can be eaten raw or steamed. Flavor is mild, bean-like, and sweet.

Height: 10-20" Spread: 12"

LAVATERA

Rose Mallow - Pink

Annual Flower

Prolific large, smooth pink flowers on tall, upright stems. A garden classic with cupped flowers ideal for borders, cottage gardens and cutting for bouquets. Similar habit to hollyhocks with attractive glossy foliage. Excellent for attracting hummingbirds!

Height: 24-48" Spread: 12-18" Bloom: 4"

MARIGOLD

Durango Outback Mix

Annual Flower

This mix is the ticket for a joyous explosion of color. Extra-large blooms with outstanding uniformity. Highly branching plants. A good choice for packs, pots, and garden planting. Edible blooms add wonderful color to salad mix. Attracts beneficial insects.

Height: 8-10" Spread: 10-12" Bloom: 2-2 1/2"

LOBELIA

Crystal Palace Blue

Annual Flower

The perfect window-box plant, with a profusion of stunning deep blue flowers over bronze-green foliage. 4" tall, great for edgings, walks and borders.

Height: 4-8" Spread: 6"

MARIGOLD

Queen Sophia

Annual Flower

Dark orange petals rimmed in gold. Attracts beneficial insects. Use the flowers to dress up salads and desserts. Flavor is floral with hints of citrus and spice, and slightly bitter. Remove the petals from the flower base before consuming as the base can be quite bitter.

Height: 10-12" Spread: 8-18" Bloom: 2 1/2-3"

MARIGOLD

Pinwheel

Annual Flower

A delightful medley of brilliant red and yellow petals on each bloom. Easy to grow, these relatively tall marigold plants produce prolific blossoms and will be covered in pollinators for many months as they continue to bloom.

Height: 30-36" Spread: 6-18" Bloom: 1-2"

MARIGOLD

Lemon Star

Annual Flower

Unique, bicolor Gem-type marigold. Hundreds of petite flowers cover neat, low mounds of lacy foliage with a citrusy scent. 3/4-1 1/4" flowers are lemon yellow with a maroon star-shaped pattern in the center. Long-blooming for beds, borders and containers.

Height: 12-18" Spread: 12" Bloom: 3/4 - 1 1/4"

MARIGOLD

Giant Orange

Annual Flower

Large flower heads, avg. 3", sit atop sturdy plants. These giant marigolds are prolific producers for cuts as well as excellent garden performers. Sturdy, uniform flower heads are also useful for marigold garlands. Tall, strong stems for cut flowers. Edible Flowers: Use the flowers to dress up salads and desserts or cooked in egg or rice dishes. Flavor is floral with hints of citrus and spice, and slightly bitter.

Height: 36-40" Spread: 12-16" Bloom: 3"

MARIGOLD

Tangerine Gem

Annual Flower

This signet marigold variety produces an abundance of 6-12" tall delicate blooms atop compact mounds of finely divided lacy foliage. A favorite of beneficial pollinators, Tangerine Gems deliver carefree orange color and a lemony fragrance to beds, borders and containers from early summer to frost. Edible flowers have a subtle spicy, citrusy flavor.

Height: 6-12" Spread: 8-12" Bloom: 3/4 - 1 1/4"

MARIGOLD

Red Gem

Annual Flower

This signet marigold variety produces an abundance of delicate 6-12" tall blooms atop compact mounds of finely divided lacy foliage. A favorite of beneficial pollinators, Red Gems deliver carefree crimson color and a lemony fragrance to beds, borders and containers from early summer to frost. Edible flowers have a subtle spicy, citrusy flavor.

Height: 6-12" Spread: 8-12" Bloom: ¾ - 1 ¼"

MORNING GLORY

Heavenly Blue

Annual Flower

The classic morning glory! Cheerful blooms are bright sky-blue. Fast-growing vines with attractive heart-shaped foliage.

Climbing Height: 10-12' Bloom: 2 ½"

MORNING GLORY

Moonflower

Annual Flower

Moonflowers open in the evening so they can be pollinated by night-flying moths. Large white flowers, extremely fragrant.

Climbing Height: 8-12' Bloom: 3-6"

MORNING GLORY

Scarlett O'Hara

Annual Flower

Fast-growing vines with attractive foliage and cheerful rosy dark pink 3-4" flowers. Perfect for attracting pollinators and hummingbirds.

Climbing Height: 9-10' Bloom: 3-4"

MORNING GLORY

Grandpa Ott

Annual Flower

Beautiful, glowing rich deep purple bloom with a glowing magenta center and dark 5-pointed star pattern. Climbs at least 8-9' with trellising, and will self-sow but not aggressively.

Climbing Height: 8-9' Bloom: 4-6"

NASTURTIIUM

Bloody Mary

Annual Flower

Deep shades of crimson, maroon, and brick red are splashed across creamy white petals to make a melodramatic scene in the flower bed. This mix is generally compact, but contains both mounding and trailing types.

Height: 16-20" Spread: 8-12"

NASTURTIIUM

Alaska Mix

Annual Flower

Green-and-white variegated foliage. Brilliant, single, 2" flowers in yellow, crimson, orange, salmon and cherry. Compact, mounding habit. Flowers and peppery-flavored foliage are edible.

Height: 10-15" Spread: 12" Bloom: 2"

NASTURTIIUM

Empress of India

Annual Flower

Victorian era heirloom. Scarlet flowers stand out amid dark blue-green foliage. Compact, mounded plant habit. Flowers and peppery-flavored foliage are edible.

Height: 16-20" Spread: 12" Bloom: 2"

NASTURTIIUM

Jewel Mix

Annual Flower

These bright, 2" blooms of red, pink, orange, and yellow are held above light green foliage. Mounded plant habit. Flowers and peppery-flavored foliage are edible.

Height: 16" Spread: 12-14" Bloom: 2"

NICOTIANA

Jasmine

Annual Flower

Lovely, pendulous white star-shaped flowers offer their fragrance to the night. Pollinated by moths. Very easy to grow; plants will re-seed if left in the garden.

Poisonous.

Height: 24-36" Spread: 6-12" Bloom: 1½ - 2"

NASTURTIIUM

Trailing Mix

Annual Flower

Flowers in rose, orange, and yellow. Perfect for hanging baskets and containers, or even as a ground cover. Produces long runners that trail, or "climb" if tied to upright supports. Flowers and peppery-flavored foliage are edible.

Height: 8-10' Spread: 12-14" Bloom: 2"

PANSY/VIOLA

Helen Mount

Annual Flower

More commonly known as "Johnny Jump-Ups". These violas have petite tricolor flowers in purple, yellow, and white. May reseed. Edible flowers make colorful additions to salads and desserts.

Height: 5-7" Spread: 9-12" Bloom: 1-2"

PANSY/VIOLA

Beaconsfield

Annual Flower

Wildly illuminating purple and white petals make this Swiss giant type pansy glow in the garden! The tidy 8 to 10 inch tall plants are covered in massive, 3" flower heads. A superb selection for beds, borders and containers.

Height: 8-10" Spread: 6-8"

PANSY/VIOLA

Antique Shades

Annual Flower

Viola, also known as "Johnny Jump-Ups". 1½-2" blooms in shades of cream, caramel, mauve, blush, and gold. Vigorous and healthy plants. Mildly fragrant blooms. Edible flowers with slight wintergreen flavor are also good for candying. Can tolerate full sun to partial shade.

Height: 6-10" Spread: 6-9" Bloom: 1½-2"

PANSY

Scarlet

Annual Flower

This scarlet Pansy flower is brilliant and it will catch the attention of neighbors and everyone passing by. Cold tolerant pansies grow well in Early Spring and Late Fall.

Height: 6-8" Spread: 6-8"

PANSY/VIOLA

Brush Strokes

Annual Flower

Cheerful faces sparkle in shades of apricot, gold, peach, lavender, plum, purple, and cream. Vigorous plants produce abundant, artful blooms. This mix yields taller, more vigorous plants in a range of heights.

Height: 8-16" Spread: 6-9"

PANSY/VIOLA

Atlas Black

Annual Flower

Excellent for fall, the pure black blossoms are great for Halloween. Perfect for combinations with bright colors, especially orange.

Height: 6-8" Spread: 8-10"

PETUNIA

Celebrity Mix

Annual Flower

This Celebrity Mix Petunia contains solid colors, bicolors, the Ice series of two-toned blooms (petals scored with darker veining), and the Star varieties, which contains dark, star-shaped markings at the center of each bloom.

Height: 12" Spread: 24-30" Bloom: 3-4"

PANSY/VIOLA

Penny All Season Mix

Annual Flower

Blooms all season long. Mounding habit with large, 1½-2", uniquely colored blooms. Mix of blue, deep blue, orange, yellow, and yellow frost. Adaptable to a wide range of growing conditions. Decorative and edible garnish for salads and desserts with slight wintergreen flavor. A popular choice for brightening up salad mix and good for candying.

Height: 4-6" Spread: 6-8"

PETUNIA

Tritunia Star Mix

Annual Flower

The most complete range of traditional, large-flowered Petunias to meet your spring bedding needs: includes a mix of red, pink, and purple flowers with broad white stripes in a star pattern. Ideal for both packs and pots with strong garden vigor.

Height: 10" Spread: 12-14" Bloom: 3-4"

PHLOX

Brilliant

Annual Flower

Bright and radiant pink blooms. Fragrant annual with colorful, clustered blooms. Easy to grow pollinator attractor with pink colored Summer blooms. Thrives in bright, sunny growing areas.

Height: 18" Spread: 12-18" Bloom: 1-1½"

POPPY

Black Beauty

Annual Flower

With a combination of double flowers and single petal blooms with dark velvety burgundy color, Black Beauty is a stunning eye-catcher unlike any poppy you've ever seen. And like all poppies it's easy to grow, needs minimal care, and will re-seed itself.

Height: 3-4' Spread: 12"

PHLOX

Red

Annual Flower

Just the ticket to add some bold color and flash to your garden! An easy to grow, mid/late season bloomer. Annual Phlox appreciates full sun, and the bees and butterflies always appreciate what this North American Native wildflower has to offer!

Height: 24" Spread: 12-18" Bloom: 1-1½"

POPPY

California

Annual Flower

Silky, 2-3" cups of brilliant orange top neat mounds of finely cut silvery-green foliage. Blooms over a long period. Drought tolerant. Tolerates light frost. Excellent for seeding large areas.

Height: 12-15" Spread: 6-12"

POPPY

Planete Rouge du Jura

Annual Flower

Large, luxuriant 4-6" blooms in shades of lavender, magenta and mauve. Each flower center is ringed by four deep eggplant markings. Blooms contrast attractively with the waxy gray-green, scalloped foliage.

Height: 3-4' Spread: 12"

POPPY

Pierrot

Annual Flower

Silky scarlet petals form 3" diameter flowers with four large black markings in the center. Adds a vibrant splash of color to beds and borders! Flowers have long, wiry stems over light green, ferny foliage.

Height: 2-3' Spread: 12"

PORTULACA

Happy Hour Tropical Mix

Annual Flower

Fuller habit and large, semi-double blooms in vivid Deep Red, Orange & Banana colors. Great for hot, dry, full-sun conditions. Drought-tolerant Happy Hour is sure to please with its excellent garden performance.

Height: 8-10" Spread: 10-12"

RUDBECKIA

Cherry Brandy

Annual Flower

This powerhouse of a plant is just 2 feet tall, but sends up dozens upon dozens of giant daisies over a long season, bringing butterflies and bees to pay their respects all summer long. These flowers reach 3 to 4 inches wide, with petals that shade from zingy cherry-red to deep maroon at the base.

Height: 24" Spread: 12-15" Bloom: 3-4"

SALVIA

Victoria Blue

Annual Flower

Deep blue spikes bloom summer to frost. Uniform plants tolerate heat, humidity, and poor soils. Excellent for cut flowers and drying crafts.

Height: 18-24" Spread: 12" Bloom: 5-8"

RUDBECKIA

Prairie Sun

Annual Flower

Prairie Sun Rudbeckia is a splendid gloriosa daisy, with all the vigor and bloom strength you'd expect in an American native, plus giant blooms of brilliant yellow with a green eye and luscious primrose tips.

Height: 36" Spread: 12-15" Bloom: 5"

SALVIA

Pink Sundae

Annual Flower

Easy-to-grow plants for casual cut flowers, pollinator plantings, and displays of color in the garden. Productive, densely branched plants produce abundant stems and multiple cuts of this versatile crop. Suitable for fresh or dried flowers. Colored bracts of vibrant rose-pink decorate the tops of 30-40" branches. Tolerant of frost.

Height: 30-40" Spread: 12-18" Bloom: 5-8"

SCABIOSA

Pincushion Mix

Annual Flower

Mix of black, blue, creamy yellow, pink, bright red, deep blue, rose hues, and pure white. Elegant cut flower on strong, slender stems.

Height: 24-36" Spread: 9-15" Bloom: 1- 2 ½"

SNAPDRAGON

Rocket Mix

Annual Flower

Tall spires of blooms in a wide range of colors. Mix includes rose shades, cherry, pink, orchid, red, golden, lemon, and white. Flowers are edible and excellent as cut flowers.

Height: 24-36" Spread: 4-12" Bloom: 12-36"

SCARLET RUNNER

BEAN

Annual Flower

Christa's favorite. Scarlet, edible flowers against green, heart-shaped foliage. Rapid climbers. Beans are edible and delicious when young. Keep pods picked for continuous bloom.

Height: 6-8' Spread: 6-12" Bloom: 1"

SNAPDRAGON

Early Sunrise Mix

Annual Flower

Early, fiery-colored blend for field or greenhouse. Warm sunrise shades of pink, orange, red, and yellows. The edible flowers are a colorful garnish for use in salads, desserts, and drinks. The flavor is floral and slightly bitter, so use sparingly.

Height: 40-60" Spread: 4-12" Bloom: 2"

STOCK

Katz Formula Mix

Annual Flower

Long stems with 1½–2" blooms in apricot, bright pink, wine red, pale purple, creamy yellow, dark purple, pale pink, and pure white. Early blooming one-cut series. The peppery, clove-like flavor of the flowers lends itself well to use as a garnish on salads, desserts, and drinks. Stock only needs 2-3 hours of sun per day.

Height: 24-28" Spread: 10-12" Bloom: 1½-2"

SUNFLOWER

Mammoth

Annual Flower

Sky-high 12' plants with huge heads are supported by great, sturdy trunks. Ready to attract pollinators and turn heads in the neighborhood. Roast grey-striped seeds for snacking or feeding wildlife throughout winter.

Height: 12' Spread: 6" Bloom: 10-12"

STRAWFLOWER

Monstrosum Tall Mix

Annual Flower

Large, brilliant flowers on tall, sturdy stems. 1½-3" blooms in shades of gold, orange, magenta, pink, and rose. Excellent for cut flowers, bouquets, drying and crafts. May require some support.

Height: 36-40" Spread: 10-12" Bloom: 1½-3"

SUNFLOWER

Autumn Beauty

Annual Flower

Tall, extremely vigorous plants produce bold, beautiful flowers up to 8" across. Bright yellow, bronze, and purple shades with some bi-colors. Reminiscent of fall leaves. Flower buds can be fried and the petals used as a garnish in salads and desserts; the flavor is bittersweet.

Height: 8-10' Spread: 6" Bloom: 8"

SUNFLOWER

Mixed Colors

Annual Flower

Four types of Sunflowers creating a lovely warm mix of oranges, reds, maroons, and pale and vibrant yellows. Heights vary from 4 to 8 feet. Bloom sizes vary from 3 to 6 inches.

Height: 4-8" Spread: 12" Bloom: 3-6"

VERBENA

Verbena Bonariensis

Annual Flower

Multiple long, thin stems topped with clusters of 2" heads packed with tiny flowers. Blooms July to frost. Attracts bees and butterflies. Drought and heat tolerant. Tender perennial in zones 7-10.

Height: 36-48" Spread: 6-8" Bloom: 2" clusters

TITHONIA

Mexican Sunflower

Annual Flower

Tithonia loves it hot and dry. Blooms midsummer until first hard freeze, providing bright, 3-3 1/2" flowers well into fall. Most plants produce orange, with a small percentage producing red or yellow blooms. Nectar plant and habitat for bees and butterflies.

Height: 60-72" Spread: 12-24" Bloom: 3-3 1/2"

ZINNIA

Giant Dahlia Mix

Annual Flower

Similar color and habit of the Benary's Giant Series but will produce 4-6" single, semi-double, and double flowers. Cut-and-come-again flower, yielding multiple cuts over the season. A mix of yellows, roses, scarlet, green, orange, pink, red, purple, and coral.

Height: 40-50" Spread: 9-12" Bloom: 4-6"

ZINNIA

Jazzy Mix

Annual Flower

Attractive fully double and semi double blooms are 1-2" in size. Bi-color blooms in shades of burgundy red, yellow, and orange with cream, red, or yellow tips.

Height: 20-26" Spread: 9-12" Bloom: 1-2"

ZINNIA

Giant Coral

Annual Flower

Large, fully double red-coral blooms ideal for cut flowers or bright borders. Lovely salmon-pink to coral flowers on long, sturdy stems. Huge 4" blooms. Disease and heat tolerant, and holds up well in the vase. Change water often for longest life.

Height: 3-4' Spread: 9-12" Bloom: 4-6"

ZINNIA

Queeny Mix

Annual Flower

Sturdy plants produce blooms in shades of rose, orange, peach, lemon, and lime. Mostly double and semidouble, 2-3½" blooms with a small percentage of singles. Cut-and-come-again flower, yielding multiple cuts over the season.

Height: 30-40" Spread: 9-12" Bloom: 2 - 3 ½"

ZINNIA

Giant Orange

Annual Flower

Large bold, orange blooms that are beautiful as cut flowers or as borders in the garden. 4-6" blooms have incredible vase life, especially when water is routinely changed. With great field holding quality, plants produce continuous flowers throughout the season. Good tolerance to heat and cold, these vigorous zinnias are a reliable choice for the farm or garden.

Height: 3-4' Spread: 9-12" Bloom: 4-6"

ZINNIA

Giant Purple

Annual Flower

Big, fully double magenta blooms for a sophisticated statement in borders and bouquets. Huge, 4-6" purple blooms on long, sturdy stems. Disease and heat tolerant, and holds up well in the vase. Change water often for longest life.

Height: 3-4' Spread: 9-12" Bloom: 4-6"

PERENNIAL
FLOWERS

ASCLEPIAS

Bloodflower

Perennial Flower (Zone 3-9)

A unique and stunning Asclepias variety - Bloodflower or Sunset Flower - is a highly cherished plant with stunning flowers that mimic the colors of sunset. Excellent choice for a pollinator garden. Drought tolerant.

Height: 40" Spread: 15-18" Bloom: 2-4" clusters

BEE BALM (Monarda)

Panorama Red

Perennial Flower (Zone 4-9)

Bushy clumping 30" Panorama bears 1-2 whorls of red tubular flowers on each stem from mid to late summer. Attractive to butterflies, hummingbirds and, of course, bees, Monarda can grow in either sun or shade.

Height: 44" Spread: 18-24" Bloom: 1 1/2-2"

ASCLEPIAS

Butterfly Weed

Perennial Flower (Zone 3-9)

Perennial pollinator attractor native to North America. Heirloom variety with bright orange summer blooms. Drought tolerant. A must have for butterfly gardens. Hummingbirds love it too!

Height: 28" Spread: 15" Bloom: 2-4" clusters

COLUMBINE

McKana Giants

Perennial Flower (Zone 3-9)

Well-branched plants produce 3-3 1/2" blooms with long spurs. A great cut to fill the gap between early spring and summer bouquets. Attracts hummingbirds.

NOTE: Flowering occurs in late spring in the second season of growth.

Height: 24-36" Spread: 12-18" Bloom: 3-3 1/2"

COREOPSIS

Early Sunrise

Perennial Flower (Zone 4-9)

Also known as Butter Daisy or Tickseed. Golden yellow, semi-double flowers on 20" stems. Long blooming from early summer into fall. Coreopsis are easy to grow, neat compact plants. Drought and heat tolerant.

Height: 20" Spread: 12-18" Bloom: 2-3"

DELPHINIUM

Dark Blue White Bee

Perennial Flower (Zone 3-8)

Intense regal purple-blue hues with sparkling white bees beckon passersby to take a closer look. Semi-dwarf variety stately and elegant over substantial mounds of lacy foliage.

Poisonous.

Height: 3-4' Spread: 18-24" Bloom: 4' Stem

COREOPSIS

Sunburst

Perennial Flower (Zone 4-9)

Bright semi-double, golden yellow 2-3 in. flowers in summer and fall. Heat and humidity tolerant, and will thrive with moderate to little water. Coreopsis require little maintenance, and are rabbit and deer resistant.

Height: 24-36" Spread: 12-18" Bloom: 2-3"

DELPHINIUM

Sky Blue White Bee

Perennial Flower (Zone 3-7)

Pale blue blooms with white centers (bees). Dwarf Pacific type with full florets and tight internodes. Magic Fountains' sturdy, compact plants will tolerate windy locations. Attracts bees and butterflies.

Poisonous.

Height: 3-4' Spread: 12-18" Bloom: 4' Stem

DELPHINIUM

Magic Fountains
Cherry Blossom

Perennial Flower (Zone 3-7)

Pastel blooms with white centers (bees) in a plum shade that complements a wide range of colors. Magic Fountains' sturdy, compact plants will tolerate windy locations. Attracts bees and butterflies.

Poisonous.

Height: 3-4' Spread: 12-18" Bloom: 3' stems

DIGITALIS (Foxglove)

Pink Gin

Perennial Flower (Zone 4-8)

Delicately colored shell-pink bells with lightly freckled throats. Bells form on one side of the stem.

NOTE: Flowering occurs in late spring in the second season of growth.

Poisonous.

Height: 36-48" Spread: 12-18" Bloom: 3' Stems

DIGITALIS (Foxglove)

Pam's Choice

Perennial Flower (Zone 4-9)

Short-lived perennial, about 4 years. White bells with dark plum-colored throats and freckles. Bells form on one side of the stem.

NOTE: Flowering occurs in late spring in the second season of growth.

Poisonous.

Height: 32-60" Spread: 12-18" Bloom: 3' stems

DIGITALIS (Foxglove)

Sugar Plum

Perennial Flower (Zone 4-8)

Light lavender-pink bells with dark plum-colored throats and freckles. Bells form on one side of the stem. Can be fall or spring-planted.

NOTE: Flowering occurs in late spring in the second season of growth.

Poisonous.

Height: 32-40" Spread: 12-18" Bloom: 3' Stems

ECHINACEA

Angustifolia

Perennial Flower (Zone 3-10)

Purple flowers in summer attract birds and pollinator insects. Seed pods are favored by goldfinches. Leave spent flowers standing through the winter. Medicinal, use to make tea or extracts.

Height: 24-36" Spread: 18-24" Bloom: 2-3"

HOLLYHOCK

Chater's Double White

Perennial Flower (Zone 3-9)

Peony-flowered blooms the color of fresh linen. Chater's Double Hollyhock always makes an impression and will perform best when planted in full sun.

Hollyhocks flower in their second year. They appear to be perennials as they do come back year after year but they are actually biennials which self-seed prolifically.

Height: 6-8' Spread: 2-3'

HOLLYHOCK

Summer Carnival Pink

Perennial Flower (Zone 3-9)

Featuring brilliant pink color that won't fade in summer sun. Sturdy plants grow to 5 feet tall.

Hollyhocks flower in their second year. They appear to be perennials as they do come back year after year but they are actually biennials which self-seed prolifically.

Height: 5-6' Spread: 2-3'

HOLLYHOCK

Nigra

Perennial Flower (Zone 3-10)

Glowing saucers of deep maroon—a color closest to black of any flower.

Hollyhocks flower in their second year. They appear to be perennials as they do come back year after year but they are actually biennials which self-seed prolifically.

Height: 6-8' Spread: 24"

SCABIOSA

Fama Deep Blue

Perennial Flower (Zone 3-7)

First-year flowering perennial. Elegant 2 ½–3 ½" blooms with long, clean, wiry stems and good vase life. Perfect for cutting. Seed pods can be used to add whimsy and interest to mixed bouquets. Produces all summer long.

Height: 26-30" Spread: 12-18" Bloom: 2 ½ - 3 ½"

YARROW

Colorado Mix

Perennial Flower (Zone 3-9)

2-4", flat-topped flower heads in shades of red, rust, beige, rose, yellow, apricot, and white on 24" stems. When dried, the color is retained.

Attracts beneficial insects such as damsel bugs, lacewings, lady beetles, and parasitic wasps.

Height: 28-30" Spread: 12-24" Bloom: 2-4"

GREENS SALAD & BUNCHING

ARUGULA

Esmee

Annual Vegetable

Beautiful oak-type leaves. Deeply incised and ruffled, rounded oakleaf. Increases loft in the bag and on the plate. Excellent, mild flavor. Quick growing and very cold tolerant.

Height: 2-3 inch long leaves

KALE

Mixed Types

Annual Vegetable

Mixed four pack of kale, with one of each; Green Curly, Red Russian, White Russian, and Lacinato.

Height: Varies 20-36"

BOK CHOY/PAC CHOI

Black Summer

Annual Vegetable

Beautiful dark green pac choi. Best for full size, but also suitable for mini heads. Slightly smaller in size (10-12"). Essential cool season vegetable for stir fry alone or with other ingredients.

Height: 10-12" heads

KALE

Lacinato

Annual Vegetable

Also known as "Tuscan" or "Dinosaur". Dark blue-green leaves with beautiful savoy. Long season producer.

Height: up to 20"

KALE

Winterbor (Green Curly)

Annual Vegetable

Classic green curly kale, growing up to 2-3', with excellent yield and good cold hardiness. The ruffled blue-green leaves on vigorous plants will continue growing to produce leaves for successive harvests as the lower leaves are harvested.

Height: up to 36"

LETTUCE

Green Butterhead

Annual Vegetable

Large, bright green butterhead lettuce. Tender, silky leaves. Great for steak salads or use for wraps. A staple lettuce in our Baby Lettuce Mix!

Height: 8-12"

LETTUCE

Romaine (Sparx)

Annual Vegetable

High-yielding, upright, dense heads produce long, uniform hearts with good flavor. Heat-tolerant romaine for hearts. These can get HUGE for us with ample water and nutrition.

Height: up to 18"

LETTUCE

Red Butterhead

Annual Vegetable

The most beautiful of all our lettuces! A sunset of colors. Beautiful, large, dark red heads with nicely contrasting green centers. Excellent flavor and texture. A staple in our Baby Lettuce Mix!

Height: 8-12"

LETTUCE

Green Leaf/Crisp

Annual Vegetable

Christa's favorite. Summer crisp Batavia type lettuce. Bright green leaves form dense, closed heads. Performs beautifully in the summer heat when other lettuce struggles. Great on burgers or your classic BLT.

Height: 6-12"

SPINACH

Kolibri

Annual Vegetable

Semi-savoy, medium-dark green leaves. Fast regrowth for ample cut-and-come-again harvest. Great for baby spinach.

Height: 4-6"

LETTUCE

Red Leaf/Crisp

Annual Vegetable

Thick, juicy, crisp, dark red leaves with good flavor. Very slow bolting with excellent tolerance to summer heat. A nice, crunchy lettuce great for sandwiches!

Height: 6-12"

SWISS CHARD

Bright Lights

Annual Vegetable

A rainbow mix of yellow, red, magenta, pink, and white Swiss chard. Consistent growth rate, leaf shape and texture, and strong bolt resistance across all colors makes this a superior mix.

Height: up to 20" Spread: 18-20"

TOMATOES, TOMATILLOS & HUSK CHERRY

CHERRY TOMATO

Sungold

Annual Vegetable

Nature's candy! Exceptionally sweet orange cherry. Vigorous plants, very early - always our first ripe tomato. Every kid's favorite. 10-15 fruits per cluster.

Indeterminate. Will need staking or trellising.

Height: up to 8-12' Fruit size: 1"

CHERRY TOMATO

Supersweet 100

Annual Vegetable

The classic, sweet, red cherry tomato. Supersweet 100 is a reliable cherry tomato with prolific yields of great tasting, 15-20 gm. fruits produced in large clusters. Up to 100 fruits per cluster. **Indeterminate. Will need staking or trellising.**

Height: up to 8-12' Fruit size: 1"

GRAPE TOMATO

Red Pearl

Annual Vegetable

Tender and nearly seedless. Fruits weigh ½ oz and have good flavor and a meaty texture. Resists cracking and stores well on and off the vine.

Indeterminate. Will need staking or trellising.

Height: 8' Fruit Size: 1-2"

HUSK CHERRY

Goldie

Annual Vegetable

Small orange berry with a husk. This old-fashioned tomato family member bears ½ - ¾" sweet golden berries inside papery husks. Plants are profusely branching, prolific, and drop ripe fruits. Fruits can be eaten raw, dried like raisins, frozen, canned, or made into preserves, cooked pies, and desserts.

Height: 12-24" Fruit Size: ½ - ¾"

CHERRY TOMATO

Mixed Pack

Annual Vegetable

A colorful assortment of 6 bite-sized tomatoes including 1 Sungold, 1 Supersweet 100, 1 Red Pearl & 3 artisan cherry tomatoes. A fun & delicious group for a children's garden! **Indeterminate. Will need staking or trellising.**

Height: varies 6-12" Fruit Size: varies 1-2 ½"

TOMATILLO

Toma Verde

Annual Vegetable

Toma Verde is our favorite Tomatillo variety because of its earlier maturation and exceptional sweetness. This dependable, prolific variety also produces fruit up to 2" in diameter. A staple for traditional Verde salsa. Semi-determinate, caging or trellising recommended.

*****Requires at least 2 plants for fruiting.*****

Height: 3-4' Fruit Size: 2"

SLICING TOMATO

Cosmonaut Volkov

Annual Vegetable

Sturdy, productive, cool-weather tolerant and great flavor. Deep red slightly flattened 8-12 oz globes. What makes Cosmonaut so special is its juice: sweet, rich and full-bodied. **Indeterminate. Will need staking or trellising.**

Height: 4-5' Fruit Size: 8-12oz

BEEFSTEAK TOMATO

Big Beef

Annual Vegetable

Top choice for fresh beefsteak tomatoes. Large, 10-12 oz, globe-shaped red fruit. Full flavor and ripen early for their size. **Indeterminate. Will need staking or trellising.**

Height: 5-7' Fruit Size: 10-12oz

SLICING TOMATO

New Girl

Annual Vegetable

Always the earliest slicing tomato. Developed from 'Early Girl', this disease-resistant tomato produces medium-sized 4-6oz fruit with exceptional flavor. Perfect for cool Summer areas – like here! **Indeterminate. Will need staking or trellising.**

Height: 5-7' Fruit Size: 4-6oz

BEEFSTEAK TOMATO

Galahad

Annual Vegetable

Delicious early determinate beefsteak. The round, 7-12 oz. fruits can be harvested with green shoulders and ripened red in storage, or ripened on the vine. Galahad is a brave new tomato variety that has a high level of Late Blight resistance because both parents are resistant. **Determinate.**

Height: 3-4' Fruit Size: 7-12oz

BEEFSTEAK TOMATO

Pink Berkeley Tie-Dye

Annual Vegetable

Technically not an heirloom, but with heirloom appearance and flavor. Beautiful 8-12 ounce fruit with a very sweet, rich, dark tomato flavor. Port wine colored with metallic green stripes. **Compact Indeterminate.**

Height: 4' Fruit Size: 8-12oz

PASTE TOMATO

San Marzano

Annual Vegetable

Considered one of the best paste tomatoes of all time, with old-world look and taste. 4-6 oz. fruits. **Indeterminate. Will need staking or trellising.**

Height: 6-8' Fruit Size: 4-6oz

PASTE TOMATO

Amish Paste

Annual Vegetable

Large for a sauce tomato, Amish Paste's slightly irregular plum to strawberry-shaped fruits avg. 8-12 oz. with excellent flavor. These meaty tomatoes are good in salads and great for processing. **Indeterminate. Will need staking or trellising.**

Height: 6-8' Fruit: 8-12oz

PASTE TOMATO

Speckled Roman

Annual Vegetable

Striking elongated plum tomato, 6-8 oz., with bright red skin and golden streaks. Meaty red flesh, little juice, good for fresh eating or sauce. **Indeterminate. Will need staking or trellising.**

Height: 5' Fruit Size: 6-8oz

HEIRLOOM TOMATO

Brandywine

Annual Vegetable

Classic, luscious heirloom flavor. Large fruits, often over 1 lb, have a deep-pink skin and smooth, red flesh.

Indeterminate. Will need staking or trellising.

Height: 9' Fruit Size: about 1lb

HEIRLOOM TOMATO

Moskvich

Annual Vegetable

Usually our first tomato to ripen after the cherry tomatoes. 4-6 oz. fruits, deep red color, rich flavor. **Indeterminate. Will need staking or trellising.**

Height: 5-7' Fruit Size: 4-6oz

HEIRLOOM TOMATO

Pruden's Purple

Annual Vegetable

Early Brandywine type. Huge fruits, often 1 lb. Dark pink color, excellent flavor. Much higher yielding than Brandywine, it's closest cousin. **Indeterminate. Will need staking or trellising.**

Height: 6' Fruit Size: about 1lb

HEIRLOOM TOMATO

Valencia

Annual Vegetable

Sunny smooth round yellow orange 8-10oz fruits with full tomato flavor. Among the best for flavor and texture. **Indeterminate. Will need staking or trellising.**

Height: 5' Fruit Size: 8-10oz

HEIRLOOM TOMATO

Green Zebra

Annual Vegetable

A delicious, tangy salad tomato, ripe just as the green fruit develops a yellow blush, accentuating the darker green stripes. The 3–4 oz. fruits are the ideal size for slicing into wedges for salads.

Indeterminate. Will need staking or trellising.

Height: 5-7' Fruit Size: 3-4oz

HEIRLOOM TOMATO

Cherokee Purple

Annual Vegetable

Unusual variety with full flavor. Famously rich flavor and texture make this a colorful favorite among heirloom enthusiasts. Medium-large, flattened globe, 8-12 oz. fruits. Color is dusky pink with dark shoulders. Multilocular interior ranges from purple to brown to green. Relatively short vines.

Indeterminate. Will need staking or trellising.

Height: 9' Fruit Size: 8-12oz

HEIRLOOM TOMATO

Japanese Black Trifele

Annual Vegetable

Good yields of 4-6 oz oblong purplish red fruit with excellent, rich flavor. Harvest when shoulders are still green for best flavor. **Indeterminate. Will need staking or trellising.**

Height: 5' Fruit Size: 4-6oz

HEIRLOOM TOMATO

Striped German

Annual Vegetable

Bicolor red-and-yellow fruit. The flat, medium-to-large tomatoes with variable shoulder ribbing are shaded yellow and red. The marbled interior looks beautiful sliced. Complex, fruity flavor and smooth texture. Medium-tall vines bear 12+ oz. fruit. **Indeterminate. Will need staking or trellising.**

Height: 4-6' Fruit Size: 12+oz

[Return to table of contents](#)

HEIRLOOM TOMATO

Heirloom Mix

Annual Vegetable

A mixed 6-pack of one of each of our most popular heirlooms. Likely varieties will include Valencia, Green Zebra, Moskvich, Striped German, Pruden's Purple or Japanese Black Trifele. Substitutes may occur depending on availability.

Indeterminate. Will need staking or trellising.

Height: varies 4-9' Fruit size: varies 4oz-1lb

PEPPERS

BELL PEPPER

Ace

Annual Vegetable

Extra-early, highly productive bell pepper. Great for our area as it produces well in cool climates. Large yields of medium-size, lobed fruits. Ripen green to red.

Height: 3-4' Fruit size: about 5in long

MINI BELL PEPPER

Lunchbox

Annual Vegetable

Red, yellow, and orange Lunchbox snack peppers. We seed from mixed seed, so no guarantees on what colors you may get! These beautiful, mini-sized peppers are remarkably sweet and flavorful. They are delicious sautéed, as an addition to salads and, of course, perfect for a healthy snack.

Height: 24-30" Fruit Size: 2 ½-3"

BELL PEPPER

King of the North

Annual Vegetable

Reliable set of green to glossy red fruits in short seasons. Improved for a higher percentage of blocky, thick-walled, early ripening peppers each with three to four lobes. Known for its ability to produce good sized peppers in short, cool seasons. Strong plants support heavy yields.

Height: 2' Fruit Size: 3-4"

SWEET PEPPER

Carmen - Corno di Toro

Annual Vegetable

Sweet. Best-tasting Italian frying pepper. Notably sweet (especially when fully red-ripe) with a shapely tapered silhouette. Begins green, then deepens to a beautiful carmine at maturity. Excellent roasted, grilled, and in salads.

Height: 2'-3' Fruit Size: 6" Long, 2 ½" Wide

SWEET PEPPER

Habanada - Heatless Habanero

Annual Vegetable

A true game-changer in the pepper world. 'Habanada' is the world's first "heat-less" habanero. Instead of heat, it delivers a blast of sweet tropical flavors. Excellent seared, braised, roasted, or raw, 'Habanada' is a versatile culinary jewel. Extremely productive and early. Can be used at the green stage, but reaches the pinnacle of flavor and texture when it turns a beautiful orange hue.

Height: 13-15" Fruit Size: 3-4"

HOT PEPPER

Jalafuego

Annual Vegetable

Large, smooth, dark green fruits. Vigorous plants consistently produce very high yields of 3 ½ to 4" fruits.

Height: 24-30" Fruit Size: 3 ½-4"

SWEET PEPPER

Shishito

Annual Vegetable

Shishitos are small, mild peppers from Japan. Their flavor is sweet and slightly smokey, not spicy—but careful! One in ten shishito peppers will be hot! They're wrinkled and puckery and have thin skin which makes them perfect for quick frying, grilling, or tempura.

Height: 2' Fruit Size: 2-4" Long, 3/4" Wide

HOT PEPPER

Poblano

Annual Vegetable

Fruits are very large, avg. 5" x 3", and are typically two-lobed which makes them easy to stuff and cook in their signature dish, chile rellenos. Mild hot.

Height: 3-5' Fruit Size: 5" long, 3" wide

HOT PEPPER

Cayenne

Annual Vegetable

Early, quick-drying cayenne for ristras. Bright red when dried. Flavor is sweet and hot. Matures early. Thin walls.

Height: 24-30"

Fruit Size: 3-4" Long

HOT PEPPER

Anaheim

Annual Vegetable

The fruits are large and thick-walled, making them suitable for frying and stuffing. The very large plants have good leaf cover to protect the fruits from sunscald.

Height: 18-24"

Fruit Size: 7 1/2" Long

HOT PEPPER

Habanero

Annual Vegetable

Traditional heat with fruity citrus notes. The extremely pungent wrinkled fruits avg. 2" x 1 1/4" and ripen to salmon orange. A key ingredient in Jamaican "jerk" sauces.

Height: 4-5'

Fruit Size: 2" long, 1 1/4" wide

HOT PEPPER

Thai Hots

Annual Vegetable

Small conical peppers ripen to bright red and stand erect above the foliage so fetchingly that it's grown "in the trade" as a red and green Christmas potted plant. However, devotees of hot cuisine prize its sparks. Early pinching will produce a bushy 8" plant that can be pulled, roots and all, and hung to dry for winter use or grown inside for ornamental and edible enjoyment.

Height: 12-18"

Fruit Size: 1/2 - 1" Long

[Return to table of contents](#)

HOT PEPPER

Mixed Types

Annual Vegetable

A spicy selection of our most popular hot peppers, including one of each; Cayenne, Habanero, Jalapeno, Poblano, Capperino, and Hungarian hot wax.

Height: varies 2-5' Fruit Size: varies 2-6"

CUCUMBERS

&

MELONS

CUCUMBER

Marketmore 76

Annual Vegetable

Long, slender, dark green cucumbers. 8–9" fruits stay uniformly dark green even under weather stress. Perfect for crunchy cucumber sandwiches.

Vine Length: 4-6'

Fruit Size: 8-9"

CANTALOUPE/MELON

Sarah's Choice

Annual Fruit

Sarah's Choice has a thick, orange flesh that is exceptionally juicy and sweet and a thin rind. Very sweet and flavorful 3 lb. fruits. Harvest at full-slip (when a gentle tug removes the fruit from the vine).

Vine Length: Up to 10'

Fruit Size: 3 lbs

CUCUMBER

Cool Customer

Annual Vegetable

A rugged organic pickler that produces uniform yields of attractive, blocky fruits with small seed cavities and exceptional crunch and flavor. Vigorous plants produce 4–5" fruits.

Vine Length: 3-8'

Fruit Size: 4-5"

WATERMELON

Crimson Sweet

Annual Fruit

Crimson Sweet is famous for its high sugar content and great flavor. Seeds are small and dark. Classic large watermelon with excellent flavor and crisp, sweet pink flesh. Dark and light yellow-green striped, 10" x 12" blocky oval fruits weigh in at 15-25 lb.

Vine Length: Up to 10'

Fruit Size: 15-25 lbs

SUMMER SQUASH & ZUCCHINI

YELLOW SQUASH

Success

Annual Vegetable

High-yields of tender yellow summer squash. Pick at 4-7 inches for tender, flavorful squash.

Vine Length: 3-5'

Fruit Size: 4-7"

ZUCCHINI

Dark Green

Annual Vegetable

The bush-type plants of 'Dark Green' zucchini are vigorous and produce early. The fruit are straight, smooth, mottled dark green with flesh that has a pale green tint, is firm, and has a fine flavor. Glossy, smooth, cylindrical fruit.

Vine Length: 3-5'

Fruit Size: 6-7"

PATTY PAN SQUASH

Y-Star

Annual Vegetable

Yellow organic patty pan. Prolific yielder of shiny, yellow, scalloped squash fruits, with light green on the blossom end. Amount of green may vary depending on the level of heat and plant stress.

Vine Length: up to 6' Fruit Size: 2-3" in diameter

WINTER SQUASH & PUMPKINS

WINTER SQUASH

Acorn - Tuffy

Annual Vegetable

Best tasting acorn. Thicker, sweeter, and drier flesh than other acorns. 2 lb. fruits with black-green skin. Vining plant habit.

NOTE: For sweetest flavor, wait two or more weeks after harvest before eating.

Vine Length: 10-15' Fruit Size: 2lbs

WINTER SQUASH

Delicata

Annual Vegetable

Britney's favorite! Cream skin and dark green longitudinal stripes and flecks. The sweetest of all the winter squash, and skin is tender enough to eat. Excellent for stuffing and baking, even right at harvest.

Vine Length: 24-30" Fruit Size: 6" L x 3" W

WINTER SQUASH

Butternut - Waltham

Annual Vegetable

Large fruits with small seed cavities and thick, straight, cylindrical necks. Flesh has smooth texture and sweet flavor, particularly after two months of storage. Healthy fruits weigh 4-5 lbs.

Vine Length: 10-12' Fruit Size: 4-5lbs

WINTER SQUASH

Spaghetti

Annual Vegetable

Noodle-like consistency. Slightly sweet, nutty flavor. Oblong in shape with ivory skin that changes to pale yellow at maturity. Try baking this one and serve it with olive oil rubbed Sun Gold tomatoes cut in half and broiled.

Vine Length: 8' Fruit Size: 8-9" L x 4-5" W

PUMPKIN

New England Pie

Annual Vegetable

Also known as Small Sugar pumpkin. Dark orange-skinned pumpkins in a range of small sizes, typically 4-6 lb. Outstanding for processing and pumpkin pies.

Vine Length: 12' Fruit Size: Avg 6-8" W, 4-6 lbs

PUMPKIN

Howden

Annual Vegetable

Howden is the traditional old-time Halloween favorite. The 20-30 pound, intensely bright orange pumpkins have defined ribs and strong handles for jack-o'-lanterns. Large spreading 10 foot vines produce 4-6 carving pumpkins per plant.

Vine Length: 10' Fruit Size: 20-30 lbs

ALLIUMS

ONION - YELLOW

Patterson

Annual Vegetable

20-25 plants in a 3" pot. Gently separate to plant. Exceptionally long-storing yellow onion. Medium-large, blocky bulbs with dark yellow skin and thin necks that dry quickly.

Bulb Size: 3 ½-4" across

ONION - WHITE

Ailsa Craig

Annual Vegetable

20-25 plants in a 3" pot. Gently separate to plant. Huge, sweet onions. Jumbo, round to teardrop-shaped bulbs with light yellow skins. Use fresh or for short-term storage.

Bulb Size: 6-8" across

ONION - RED

Red Wing

Annual Vegetable

20-25 plants in a 3" pot. Gently separate to plant. Superior red color, long storage. Uniform, large onions with deep red color. Thick skin, very hard bulbs. Good red color in the rings. Due to the late maturity, many growers choose to grow this onion variety from transplants. Sweet and spicy red onion flavor accents any salad.

Bulb Size: 3-4" across

SHALLOT

Ambition

Annual Vegetable

25-30 plants in a 3" pot. Gently separate to plant. Large, half-long style French shallots with reddish-copper skin and white flesh. Very firm, and suitable for long storage through spring.

Bulb Size: 1 ½"-2" across

LEEK

King Richard

Annual Vegetable

Approximately 20 plants. Gently separate to plant. Remarkable earliness and size. Beautiful full-sized leeks. In favorable soil and culture, the white shanks are over a foot long to the first leaf. While not hardy enough for overwintering, they will withstand medium-heavy frost.

Mature Height: 18-30" (12" Cut Leek)

LEEK

Tadorna

Annual Vegetable

Approximately 20 plants. Gently separate to plant. The most reliable OP fall leek. A vigorous grower producing a medium-length white shank and contrasting, very dark blue-green foliage. Holds in the field for fall into winter harvest, and overwinters in moderate climates.

Mature Length: 12-18" (7-8" Cut Leek)

GREEN ONION

Scallion

Annual Vegetable

25-30 plants in a 3" pot. Gently separate to plant. Bright white shanks with no bubbling, and dark green, erect foliage. Very uniform, upright growth.

Height: 12-16"

BEANS & PEAS

GREEN BEAN

Provider

Annual Vegetable

Earliest to market. Provider can be planted earlier than other beans because it germinates well in cool soils. Compact plants are easy to grow and adaptable to diverse soil and climate conditions. Produces 5-5 ½" fleshy round pod green beans.

Height: 18" Pod Size: 5-5 ½"

POLE BEAN

Fortex

Annual Vegetable

Dependable favorite with excellent flavor. Growing to over 11", Fortex produces extra-long round pods. Early and very productive, the beans may be picked at 7" in length for extra-slender "filet" beans. Dark green, firm-textured pods are completely stringless and delicious at all lengths, even after the seeds enlarge.

Height: Up to 11' Pod Size: Up to 11"

SUGAR SNAP PEAS

Sugar Snap

Annual Vegetable

Most flavorful snap variety. Sugar Snap germinates well in cold, wet soil, and the vigorous plants quickly produce a thick stand that requires support. Vines avg. 72" with 1 or 2 pods per node. Yields well over a long season in both hot and cold weather. Remove string from pods before cooking. Needs trellising.

Height: 5' Pod Size: 3-4"

OTHER

VEGETABLES

ARTICHOKE

Wonder

Annual Vegetable

Wonder is a new artichoke variety that offers yields early and often! Has thick, dense 5" heads with good bright color. Very firm with a tender and delicious center.

Height: 36-48"

Size: 5" Heads

BROCCOLI

Eastern Magic

Annual Vegetable

Bred for the northeast US and Canada, 'Eastern Magic' is a super-producer; high-domed 28-30" plants' hefty blue-green crown are loaded with tangy, nutty, buttery flavor. Enjoy every which way: sautéed, roasted or steamed—or in the raw as crunchy canapes.

Height: 28-30" with avg 4-6" heads

BOK CHOY/PAC CHOI

Black Summer

Annual Vegetable

Beautiful dark green pac choi. Best for full size, but also suitable for mini heads. Slightly smaller in size (10-12"). Essential cool season vegetable for stir fry alone or with other ingredients.

Height: 10-12" heads

BROCCOLI RABE

Di Cicco

Annual Vegetable

A traditional Italian heirloom variety producing small, avg. 3-4" main heads projected well above the foliage followed by a large yield of side-shoot spears. Pinching recommended to encourage heavier side-shoot production.

Height: 24-36" with avg 3-4" heads

BRUSSELS

Dagan

Annual Vegetable

Dependable midseason variety. Smooth, attractive, and holds very well in the field compared to others in this planting slot. Tall plants. Medium-large sprouts.

Height: 25-30" Avg Sprout Size: 1"

CABBAGE

Farao

Annual Vegetable

Farao's deep green heads are nicely nestled in its protective outer leaves. Farao will remain in the garden for a long time without splitting. Once cut, the heavy 3-4 pound heads reveal a dense interior with a crisp mellow peppery taste, which is great in stir-fry.

Height: 12-18" Spread: 18-24" Heads: 3-4 lbs

CAULIFLOWER

Amazing

Annual Vegetable

Medium-size plants with domed, solid heads. The 10-inch heads are rounded, very dense, and tightly zoned into small florets. Tolerant to both heat and cold stress. Heads are well protected by big wrapper leaves and retain all their flavor and texture over a very long period in the field.

Height: 12-14" with average 10" heads

CABBAGE

Primero

Annual Vegetable

An early, compact cabbage with a deep ruby red color that has a sweet taste, tender texture and is perfect for a single meal. A very productive variety, great for tight space plantings with an average head weight of 2-3 pounds.

Height: 12-24" Spread: 12-24" Heads: 3-4 lbs

CELERY

Tango

Annual Vegetable

Vigorous celery. Juicy crunchy, with great flavor. Needs ample water and nutrition to thrive.

Height: 15-18" Spread: 6-8"

EGGPLANT

Galine

Annual Vegetable

High-yielding black bell type. Very glossy, uniform, black to purple fruits are 6-7" long by 3-4" diameter. Strong plants produce early, firm fruits.

Height: 30-36" Fruit Size: 6-7" Long x 3-4" Wide

CORN

Who Gets Kissed

Annual Vegetable

Excellent flavor and texture; good cool soil emergence. Compact 5-6' tall plants with ears 2' off the ground; 14-16 rows of kernels each. Good tip fill and husk coverage. Ears have an extended harvest window - check frequently for maturity.

Height: 5-6' with 7-8" ears

EGGPLANT

Orient Express

Annual Vegetable

We have found Orient Express to be the most dependably productive eggplant. High-yielding plants produce armloads of attractive, slender, and glossy fruits 8-10" long. Ready up to 2 weeks before other early varieties and sets fruit in cool weather and under heat stress Tender, delicately flavored, and quick cooking.

Height: 24-30" Fruit Size: 8-10" Long

FENNEL

Annual Vegetable

Fennel is a cool-season crop that grows to about 2' in height, with feathery, edible, dill-like foliage. The base of the leaf stalks overlap and swell to form a thick, crisp, above-ground bulb with a fresh, delicate anise-like flavor.

Height: 24" Bulb Size: 4"

PLANTERS & HANGING BASKETS

PLANTERS + HANGING BASKETS

We offer dozens of options for planters & hanging baskets all season long.

**Everything is grown right here at Bahner Farm
and Certified Organic by MOFGA.**

**Look through our photos to see examples of what
we've offered in the past, and visit our Retail
Greenhouse, opening May 1st to see what's in store
this season!!**

Upcoming 2024 Planter options
include:

Pansy/Viola

Nasturtium

Edible Flower Boxes

**Summer Mixed Herb Boxes
(Annuals Herbs)**

**Fall Mixed Herb Boxes
(Perennial Herbs)**

& More!

Upcoming 2024 Hanging Basket
options include:

Pansy/Viola

Nasturtium

Petunia

Bacopa

Thunbergia

Trailing Herbs

& More!
